## *The local lowdown on sailboat racing in the Gulf of Maine*

March 4, 2008

Sure everything's still covered in snow, but before we know it, the 2008 race season will be upon us. The GMORA web site at [www.gmora.org](http://www.gmora.org) has been updated with new class breaks and schedule for this summer, so if you haven't done so already, check it out!

The GMORA yearbook for 2008 is under construction, but we need your help.

\*\*\*\*\* WE NEED PHOTOS FROM LAST SUMMER'S RACING EVENTS!!! \*\*\*\*\*

Do you, or does someone you know, have some action shots from last year's racing? Send them along to [maineyachtracing@verizon.net](mailto:maineyachtracing@verizon.net). We're also interested in hearing about any photographers you may have seen out there last year. Some of the people we have used in the past did not make many of last year's events, so any help you can provide would be appreciated. We're happy to give proper credit for any and all photos used, so here's your chance to get published and achieve photographic fame! Thank you in advance.

Gulf of Maine Racing News is sent weekly (more or less) during racing season to Gulf of Maine sailors. It is sent a little less often during the off-season. Suggestions are welcome. Forward this along to crew, fellow sailors, or anyone else who might be interested. Please send ideas/suggestions/comments and any additions/deletions/revisions to the mailing list to [maineyachtracing@verizon.net](mailto:maineyachtracing@verizon.net).
