The President's Page

To all GMORA members and friends:

On behalf of the officers and members of the Gulf of Maine Ocean Racing Association, I would like to welcome you to the 2016 GMORA Yearbook. As you will see in the following pages, our member organizations have planned an outstanding schedule of races for boats (and sailors) of all ages and sizes. There are wonderful opportunities to sail in each of the four regions throughout the summer as well as great travel events both new and old.

Among the changes this year is that the PHRF New England Championship will be held in Casco Bay July 16-17 at Handy Boat.

Some new race events in the planning stage include a new classic

race in Camden, and a new destination race tentatively planned from Boothbay to Rockland. I believe it is safe to say that there will be more racing opportunities in each of our four regions.

GMORA is always seeking new ways to help advance our sport and to encourage participation. Vice President Stephanie Helms recently traveled to San Diego with US Sailing and returned with many new ideas which we will be discussing and sharing as the season approaches.

Whether it is through publicity such as this yearbook, our web page, Facebook page and email blasts, or by sponsoring events to help our youth, or by helping with race management and scoring, GMORA is here to help you make the most of your summer on the Gulf of Maine.

I thank our 160-plus individual members as well as our member organizing authorities. Please encourage your fellow competitors to join GMORA to help us continue this great sport and also to help continue to provide a level playing field through the PHRF handicapping system, which depends upon participation.

Finally, I would like to thank the other officers and board members of the GMORA, particularly Vice President Stephanie Helms, Treasurer JP Bilodeau, Secretary Jane Yurko, and Handicapper and Scorer Don Logan. The GMORA board meets once a month throughout the year to work to help our member organizations provide the finest racing experiences possible. Without the help of people like these, our racing season would not be possible.

This is your organization and as its crew; together we make it the best it can be. Please consider participating in GMORA as a volunteer, officer or board member by contacting your club representative, a board member, or going to the website for more information.

As you can see, there are many opportunities to enjoy some of the most spectacular scenery on the East Coast while experiencing great sailing and good competition (and some pretty great parties)! Get your crew together and let's have another great season! Sail Fast, Sail Safe!

Scoring, Trophies, and Conditions of Eligibility

1. Eligibility

Each boat with a valid PHRF-NE or NEMA certificate, whose owner is a current GMORA Regular Member in good standing, shall be considered eligible for scoring.

2. Race Day

A Race Day is one day of series racing as scheduled by an Organizing Authority whether or not one or more races are started or finished. A competitor must be prepared to race and be in the vicinity of the starting line between her preparatory and starting signals in all races started or at the time of postponement/abandonment on a day for that Race Day to be eligible to be scored.

A competitor must be prepared to race and be in the vicinity of the Organizing Authority's venue if signals made ashore indicate a postponement or abandonment of sailing for that race day to count towards a competitor's series eligibility. Certain long distance races are scored as two or more Race Days; see the Racing Schedule. It is the responsibility of the OA to indicate in RMS those boats that should be considered eligible for the Race Day by scoring those boats DNC for one race on that day; boats that would be ineligible should be scored DNS for that race.

3. Scoring System

Race Day performance of a yacht will be scored by GMORA using the CHIPS 3 scoring system, which weighs results by reference to the number of competitors in a particular division. So, for example, a first place in a division of 12 competitors will yield a higher score than a first place in a division of 5 competitors.

4. Division Breaks

For GMORA scoring PHRF-NE Racing Class breaks will be:

Division 1 - up to 44

Division 2 - 45 to 93

Division 3 - 94 to 141

Division 4 - 142 and up

Cruising Class yachts shall be scored in one Division.

Multihull Class yachts shall be scored in one Division.

Shorthanded Class yachts shall be scored in one Division.

Member clubs are encouraged to use the same breaks where feasible.

5. Scoring

A. A Racing Class yacht shall be scored in her GMORA division irrespective of the division in which she races in any specific regatta. As an example: if a yacht has a Racing rating that places her in GMORA Racing Division 2 but the Race Committee places that boat in Racing Division 1 (for any reason) she shall earn points for each boat beaten that day and those points shall be applied to

her GMORA score against her Division 2 season competition.

B. Racing, Cruising, Multihull and Shorthanded Classes shall be scored separately. Yachts that score a Race Day in one Class shall not apply that score to any other Class.

C. Standings for the day are determined by the low-point scoring system, which is described in the Racing Rules. A yacht that is present and accounted for in the starting area but does not start a race will be scored DNS for that race, will be considered to have competed, and will be scored accordingly with a Low Point score of 1 plus the number of yachts. CHIPS 3 points for the day are awarded based on the resulting standings.

6. Race Committee Support

The purpose is to encourage yacht owners to support Race Committees by awarding GMORA points for Race Committee participation in GMORA-scored events. GMORA points will be awarded to a yacht whose owner provides support for a Race Committee. The following rules apply:

1. Points will be awarded for at most two race days per season.

2. The owner must serve on the Race Committee for all races in each of the one or two race days.

3. To qualify for an award, a yacht must still race the required minimum number of race days.

4. Race Committee Points will be calculated as follows: Take the trophy-qualifying scores after throw-outs, drop the lowest one or two scores (depending on the number of days supporting the Race Committee in that region) and replace them with the average of the trophy-qualifying scores.

5. This calculation will apply to the Region, the Overall, and the Dirigo Bowl trophies. This will not apply to the Watson Trophy, the Ocean Planet Trophy, or other such special awards.

7. Awards

Regional Awards

Trophies will be awarded to eligible yachts in each of the four (4) GMORA Racing Divisions, the Cruising Division and the Shorthanded Division. Second and subsequent place trophies will be awarded if participation in the division is sufficient.

Western Region: To be eligible, a yacht must race seven (6) Race Days in races designated for the Western Region in the Race Schedule. Best seven (6) race days count.

Boothbay Region: To be eligible, a yacht must race four (4) Race Days in races designated for the Boothbay Region in the Race Schedule. Best four (4) race days count.

PenBay Region: To be eligible, a yacht must race five (5) Race Days in races designated for the PenBay Region in the Racing Schedule. Best five (5) race days count.

Eastern Region: In lieu of participating in the GMORA season series, GMORA makes an annual contribution to the Great Harbor Dream youth-sailing project.

Gulf of Maine Overall Region: To be eligible, a yacht must race nine (9) days, best nine (9) race days count, and at least two (2) qualifying race days must be in events that are hosted in at least two (2) different Geographic Areas; see the Racing Schedule. As an example, if a vessel sailed nine (9) Race Days in the Western Geographic Area, she would still have to compete in at least two (2) Race Days in another Geographic Area to qualify.

Multihull Circuit Championship:

To be eligible, a multihull yacht must race five (5) Race Days in any GMORA sanctioned region. Best five (5) race days count.

Shorthanded Circuit Championship:

To be eligible, a yacht must race at least six (6) Race Days including at least one race 65 nautical miles or longer, race all qualifying races with a crew of at most two (2). Best six (6) days count but at least one race 65 nautical miles or longer must be counted.

Second paragraph: To score a Race Day in the Shorthanded Class, a yacht must race in a shorthanded class if one is available. If none is available the yacht may compete against fully crewed boats and score her performance against them. A skipper must inform the regatta chair at the official regatta check in that the race day(s) should be scored toward the Shorthanded Class.

Multihull yachts that meet these requirements are considered eligible. Cruising Class boats are not eligible.

Perpetual Trophies

Dirigo Bowl, Gulf of Maine Championship:

The winner shall be the yacht among the first place winners of the six (6) Divisions in the Overall Region that attains the highest score for the best nine (9) Race Days.

Arthur K. Watson Memorial Trophy:

1. Awarded to the yacht that participates in the most GMORA sanctioned Events. In the event of a tie the trophy will be awarded to the yacht that has the highest cumulative Race Day CHIPS 3 points.

2. There is no distinction granted to specific Division participation. Yachts in all Divisions, both Racing and Cruising, are eligible.

3. Eligibility is recognized even when a yacht participates in more than one Division. Yacht scores from all Divisions will be added together to be cumulative.

4. Events are Series recognized and sanctioned by GMORA.

Ocean Planet Shorthanded Racing Trophy

Awarded to the first place winner of the Shorthanded Circuit Championship

CHIPS 3 Scoring Table

This table gives the points awarded to each boat at the end of each day of racing. Notice that each column has one more than the number of boats. The last number indicates the points awarded for DNF. For example, in the first column (for just one boat) the upper number is the points awarded if the boat finishes, and the lower number if the boat does not finish.

Awards night 2015

On November 13, 2015, the fleet gathered at the Centerboard Yacht Club's new clubhouse for the annual awards get together. Just short of 100 sailors and friends from Blue Hill, Waterville, Verona Island, Camden, Rockland, New Harbor, Boothbay, Gray and, of course, Casco Bay swapped tall tales and enjoyed the fruits of Matt Minson's culinary skills, complimented by the liquid refreshments tended to by Casco Bay's own Carl Houston.

Along the way GMORA president Bill Hunt presented the hard-earned trophies for the season series. Highlights of the awards were Ryan and Michelle Raber earning the Dirigo Bowl as the top boat in the fleet, and, for the first time, a duo — Scott Miller and Gregg Carville — were honored with the Points East Yachtsmen of the Year award.

A great time was had by all in CYC's new building on the edge of Portland Harbor. If you missed the party, pencil in Nov. 11 for the 2016 edition of a truly great time.

The Gulf of Maine Ocean Racing Association wishes to recognize the outstanding effort by Matt Minson and his crew of Centerboard volunteers for a terrific party.

Yachts ‘man’ of the Year goes to doublehanders

This is our 17th year presenting the Points East GMORA Yachtsman of the Year award. Something different this year: In past years, the award has gone to a single individual, usually a skipper. This year, there was strong consensus that the award should go to the skipper and to his entire crew as well.

So that’s what we’ve done, and we have a plaque here for each and every one of them. Luckily for the Points East budget, that’s a total of two. That’s right, this year’s winners are shorthanded specialists.

This duo proved their mettle and their outstanding seamanship skills in three major events this season: The first was the Bermuda One-Two. Despite being plagued by serious equipment issues, the solo leg was completed successfully. After all, overcoming problems is the stock-in-trade of shorthanded sailors. And the return leg was an outstanding success, with a very impressive 1st-place finish. Thanks to tropical depression Bill, the pair hit 20 knots under sail on this leg.

The Halifax to Marblehead race was another positive experience for this team, and, despite again dealing with some autopilot issues, they were able to finish midfleet,

certainly worthy of recognition.

That set up delivery for the Fastnet Race. The skipper on our two-man crew made this 2,500-mile trip across the Atlantic solo. Thanks again to equipment issues, this time electrical, he sailed the last 600 miles of this journey without an autopilot, using a combination of drougue steering, fore-reaching, and creative sail trim. The pair did very well in the race, again finishing midfleet. I’m sure by the time our skipper made the solo trip home, thousand-mile singlehanded journeys were becoming old hat.

By the way, seasickness — which could be a devastating problem on a shorthanded boat — only struck once, and that was, ironically, in Massachusetts Bay, on the delivery from Blue Hill to Newport.

Shorthanded sailors are a special breed, exhibiting more than their fair share of grit and determination along with sailing smarts and creative problem solving. It’s an honor to present the 2015 Yachtsmen of the Year award to both Scott Miller and Centerboard’s own Gregg Carville.

FMI: www.sailmaine.org/racing

The SailMaine ShakeDown Regatta will once again be kicking off the 2016 GMORA Season to shake off the cobwebs of a long winter and to get Maine youth excited about big boat racing.

As in past years, each boat will be paired with one or more current SailMaine high school and junior sailors, giving kids a chance to experience the thrill of big boat racing and expanding the crew pool for racing yachts. Registration fees will benefit the SailMaine Scholarship Fund, to help get more kids on the water and into the sport of sailing.

The SailMaine Shakedown Regatta is scored using PHRF. If more than four one design boats register, they will be scored as a class. SailMaine J/22s are also available for charter. The regatta will be followed by a BBQ and

The Pilot Regatta is one of the early GMORA races in Casco Bay. The Pilot Regatta is a good early-season opportunity for new and old race crews to hone their skills as a team.

Moorings: Visiting yachts needing a mooring should contact the Portland Yacht Club waterfront (VHF Ch. 68) when they arrive. Attendants will try to find a vacant mooring. A limited number of complimentary moorings may be available on a first-come, first-served basis. In addition, Handy Boat Services (VHF Channel 9 or 207-781-5110) offers rental moorings.

The Portland Yacht Club will be making a number of changes to our race roster and associated activities this year, so visit www.portlandyachtclub.com for the latest updates on what we have planned for this season!

Join the Northeast Harbor Fleet for a series of Sunday races around some of Maine's most beautiful sailing grounds off Mount Desert Island and the Cranberries. Strategy and sail-trim skills are sometimes put to the test in the area's variable winds and currents. Regardless of performance, few activities are more pleasurable than a sail in the pristine waters off MDI.

This year the series expands to six Sunday races during June, July and August, and Cruising-class boats do not need to be a member of the NEHF to participate. Racers can participate in up to three races in the series at no cost. After that, NEHF asks for a \$300 contribution to offset the cost of running the series.

Come join the fun and enjoy beautiful Mount Desert Island.

The Southport Yacht Club and Boothbay Harbor Yacht Club are proud to present the annual 'Round Southport Race. This race returned in 2011 with a new format, recapturing the essence of the original race that was held from 1968 to 1982. While we can no longer race through the Townsend Gut, this race does go around most of the island. The 'Round Southport race is fun race for boats of all sizes, often drawing 20 or more boats. Past participants have ranged from a Herreshoff 12½ (Doughdish) and Club 420 to a Morris M52. The race is a 9.55nm Pursuit Race,

which, in 2016, will start in on the east side of Southport near Tumbler Island, and finish in Ebenecook Harbor with a party afterwards at SYC.

There is a cruising class and a racing class. In addition to the individual boats competing, the top three finishing boats from BHYC and SYC will determine the club that wins the coveted TrashCan Trophy for 2016. Southport YC has now won it two years in a row: Can their streak continue? This race will count as a GMORA Race Day, and will be scored for the Boothbay Region and towards overall trophies. This is a fun and challenging race for sailors of all ages.

BHYC Jr. Program Foundation Regatta

Boothbay Harbor Yacht Club
Boothbay Harbor, Maine
Sunday, July 10, 2016
FMI: www.bhyc.net

The BHYC Jr. Program Foundation Regatta is a one-day, GMORA-scored, PHRF event to provide the opportunity for competitors to enjoy a day of racing in the Boothbay Region while helping to encourage young people to join our wonderful sport. The BHYC Jr. Program Foundation provides scholarships and other funding to support the Junior Sailing Program at BHYC as well as the Boothbay Region High School Sailing Team. High school sailors from up and down the peninsula and neighboring islands sail week-days, practicing skills, and compete weekends with other high school sailing teams from around the state of Maine. The BHYC Jr. Program helps hundreds of children learn to sail each summer in its 10-week program.

Owners are requested to take onboard at least one youth (age 13+) from the Boothbay Harbor YC Jr. Program or the Boothbay Region High School Sailing Team; such person shall NOT be counted toward crew number or weight restrictions. This is a wonderful way to introduce our young sailors to keelboat racing and a great way for you to get someone with some local knowledge on board! Funds raised by this event will go to the BHYC Jr. Program

Seguin Island Trophy Regatta

Southport Yacht Club

Southport, Maine

Saturday, July 23, 2016

FMI: www.southportyachtclub.org

Continuing a tradition begun on July 20, 1968, the Southport Yacht Club invites GMORA skippers to enter their yachts in this summer's running of the Seguin Island Trophy Regatta on July 23, 2016. The races are held in the waters at the mouth of the Sheepscot River.

By popular demand, and with enough breeze, the Race Committee is hoping to revive sending the larger yachts south to Seguin and back. A water taxi will be available to post-race festivities and prize giving at SYC immediately following the racing. Notice of Race will be posted at www.southportyachtclub.org.

Moorings: Hodgdon Yacht Services (207-633-2970, VHF Ch. 9). SYC can help arrange for a mooring for the week between the Boothbay and Southport Y.C. races.

42nd Annual Boothbay Harbor Yacht Club Regatta

Boothbay Harbor Yacht Club

Boothbay Harbor, Maine

Saturday & Sunday, July 30-31, 2016

FMI: www.bhyc.net

2016 marks the 42nd annual running of the Boothbay Harbor Yacht Club Regatta. The regatta is a premier event on the Gulf of Maine Ocean Racing Association (GMORA)

sailing circuit. The regatta hosts many different classes of competition from PHRF racing and cruising classes to one-design classes including Boothbay Harbor One-Designs, J/80s, J/24s, and J/22s.

The BHYC Regatta attracts between 30 and 60 boats from all over Maine to race two full days in and around Boothbay Harbor. There are classes of competition for everyone including the hard-core racer and the cruisers who want to compete in their first race. One-design class racing is fun, and often takes place in the inner bay, with close competition and racing quarters.

Racing classes often sail two to three windward-leeward courses each day in Booth Bay, with coastal islands such as Squirrel, Southport and Damariscove acting as picturesque backdrops and interesting geographical obstacles. Cruising classes sail one long race each day winding themselves through the many islands and guts along the Gulf of Maine.

Come for the racing, but don't forget to join us for our

around the Cranberry Islands, open to all sailing vessels 20 feet and up in the Great Harbor. Competitors need not be members of any club and are welcome to join us the day of the race, too. PHRF ratings may be assigned by the race committee, so this is your opportunity to get relief from an unfairly assigned number.

Live music with a kick-arse blues band, open bar all night long, great food, and benefit art auction will all take place under the tent and the twinkling stars of MDI. Monhegan Regatta

Falmouth, Maine
Saturday & Sunday, Aug. 6-7, 2016
FMI: www.portlandyachtclub.com**

Again this year, the Portland Yacht Club will host our flagship race, the Monhegan, on Aug. 6-7. This offshore classic is back to its original format with a start and finish in Casco Bay, and lots of great opportunities to celebrate with fellow racers at our beautiful Club.

The race will feature several shorter ocean courses, with class descriptions and requirements affording the broadest possible opportunities for participation. Check the PYC website for additional information, and a list of the many activities that make the Monhegan more of an event than just a race. PYC, of course, will again host the traditional pre-race party Friday night and post-race awards.

The 35th Annual MS Regatta

Multiple Sclerosis Society
58 Fore St, Portland Company
Falmouth, Maine
Saturday, Aug. 20 (part of the MS Harborfest Aug. 19-21)
FMI: MSHarborfest.org

Racing for a great cause — it doesn't get any better than this! The 35th Annual MS Regatta, a part of the three day

MS Harborfest, is going to shake things up this special year. While still the oldest and largest charity sailing event in New England, we will have:

NEW LOCATION and SPONSOR: 58 Fore St./Portland Company

NEW COURSE: Still in Portland Harbor, sailing around Fort Gorges

NEW FUNDRAISING SYSTEM: A variety of ways to help fight MS

SAME GREAT RACING AND FESTIVITES: Starting with the skippers meeting at 58 Fore St. /Portland Company, followed by the MS Benefit Auction, with loads of auction items, food and drink, and open to sailors and guests.

Saturday's events start at 10:45 with the Parade of Sail from the Brothers to the Eastern Prom starting area. The MS Regatta starts at 1 p.m., and our expert race committee runs three courses of varying lengths through Portland Harbor to Clapboard Island. We have racing, cruising, one-design and classic divisions, so class sizes are kept small and well separated to reduce stress on our novice skippers and crews as well.

The Post-Race Party at our NEW LOCATION, 58 Fore St. /Portland Company, will provide food, beverages, and awards including the highly coveted Greenhorn Award for best rookie boat and the Team Spirit Award.

We are pleased to be the largest regatta in Casco Bay and on the GMORA circuit. There are lots of points at stake for those shooting for the Dirigo Bowl. Best of all, the event

raises thousands of dollars for the fight against the devastating effect of multiple sclerosis. The Regatta is a tradition; all are welcome to join us.

ONE Regatta

**Mass Bay Sailing, Boston, Corinthian, and Eastern Yacht Clubs
Marblehead, MA
Friday through Sunday, Aug. 26-28, 2016
www.oneregatta.org**

Now in its third year, the Offshore New England Championships (a.k.a. ONE Regatta) is the premier New England regatta and one of the largest offshore East Coast sailing events of the season. Eighty-six boats and over 700 sailors participated in the 2015 edition. The onshore host for the 2016 edition is the Eastern Yacht Club.

Three pristine days of racing were held for multiple classes and divisions on three circles in and around the waters of Marblehead and Salem Bay in 2015. There were multiple racing formats available at this event, from PHRF racing for spinnaker and non-spinnaker boats to one-design racing for the J/105 & J/70 classes. Non-spinnaker boats enjoyed "around the cans" racing in Salem Bay on Saturday and Sunday, while spinnaker classes enjoyed windward-leeward-style racing on all three race areas, for three days starting on Friday.

A similar boat and rating grouping philosophy provided classes of "like boats" with more modern boats racing against their like kind, and older more traditional boats racing with their like kind. The result was tight racing in most classes, with only a few points between each place after five to eight races for the weekend.

Mass Bay Sailing and the ONE Regatta Committee is making this a must-attend event again, welcoming all boats from all over New England to participate. We welcome multiple one-designs, rating systems and racing styles to produce three days of the best sailboat racing you can find.

Gulf of Maine racers have a history of strong performance at the ONE Regatta. *Apparition*, *Scapa* and *Sea Bags Sailing Team* did very well. The competition and camaraderie is outstanding, and the post-race fun is legendary.

Anyone wanting to visit a wonderful historic yachting town, and race against some of the best in the region, is encouraged to make the trip down to Marblehead.

Maine Rocks Race

Rockland Yacht Club

Rockland, Maine

Saturday - Sunday, Sept. 17-18, 2016

FMI: www.rocklandyc.org

Established in 2008 and sponsored by the Rockland Yacht Club, the Maine Rocks Race covers a distance of about 112 nautical miles. The course takes the fleet from Rockland to Matinicus Rock, then to Mount Desert Rock (hence the name of the race), then around Matinicus Rock again before a return to Rockland.

The event is designed for shorthanded racing, and is open to boats crewed by one or two people. Membership in RYC is not required. The race offers participants the experience of sharpening shorthanded offshore sailing skills and refining systems and procedures for short-handed passagemaking.

The Rockland Yacht Club is very pleased and proud to have this race included as a qualifier for the Ocean Planet Shorthanded Trophy.

Lightship Race and Fall Series

Portland Yacht Club

Falmouth, Maine

Fall Series: Saturdays, Sept. 17 & 24, and Oct. 1 & 8, 2016

FMI: www.portlandyachtclub.com

While the days may get shorter, everyone knows some of our best sailing weather comes in the fall months. The fall series consists of four Saturday races, three of which begin at 1300 and are designed to last two to three hours. The Lightship Race starts earlier and sails to the former location of the Portland Lightship, now the location of the Large Navigation Buoy (LNB) off Cape Elizabeth. The winner's name is engraved on the Stanley Moore Trophy.

As with all PYC races, all member and non-member

boats are encouraged to register (PHRF certificates are NOT required), there is a minimal entry fee, and lots of great racing. Boats are able to register as little as one race up to all four. There is a PYC Race Series Championship for those who compete in PYC-hosted races (Pilot, Schooner, Monhegan, Fall Series).

: PYC will provide free moorings for Friday and Saturday nights if you register for one or two races and, if you register for the entire Fall Series, free mooring for the series.

The Portland Yacht Club will be making a number of changes to our race roster and associated activities this year, so visit www.portlandyachtclub.com often for the latest updates on what we have planned for this season.

Atlantic Cup Inshore Series coming to Portland in June

The Atlantic Cup, presented by 11th Hour Racing, is the toughest offshore race spanning the East Coast of the United States. Short-handed sailors from around the globe will be competing in the three-leg event that concludes, for the first time, in Portland, Maine the week of June 6.

Teams of two will race on Class 40s from Charleston to Brooklyn, NY., and after a brief stopover, the teams will race to Portland with an arrival anticipated on June 6. Once in Portland, the teams will add four additional crew members for a five-race inshore series in Casco Bay.

From June 6th-11th, all are welcome to stop by Maine Wharf to check out the boats and chat with the teams. On June 10 and 11 there will be a race village at Fort Allen Park, where spectators will have an up close view of the racing in the Bay. The village will have a beer garden, food stands, and a kid zone, plus live music and race commentary as you

GMORA through the years: 1972 - 2015

Following are some year-by-year highlights in GMORA history, compiled from information dug up from various offices, filing cabinets, and certain participants' remarkable memories. Anyone who can fill in any blanks is encouraged to send information to info@gmora.org.

1972: Nearly 60 members, 40 boats participated, 16 qualified for trophies, which were awarded Nov. 2 at the Port House Inn, Kennebunkport. Merle Hallett's *Scaramouche* was the season champion.

1973: The Pilot Race, Whaleback Race Div I and II, Monhegan Race IOR, Monhegan Race (New England Racing Rule), Manana Race, and Boon Island Race composed the series. A yacht needed to participate in at least three races to be eligible for a trophy. Thirty-eight boats were entered in the circuit, 21 received final point standings. The U.S. Coast Guard Academy's *Caper* took 1st overall.

1974: The Camden-Castine Race Weekend, Danforth Cup Race, Harraseeket Yacht Club, Kittery Point, Kollegewigwok, Castine and Camden, led to an expanded series. Twenty-nine GMORC yachts took part in seven races, and 22 qualified by competing in four or more races. For the first time, yachts were divided into two classes. Maine Maritime Academy's *Omega* won Class A, and Abbot Fletcher's *Majek* took 1st in Class B.

1975 Boothbay Harbor Regatta was included for the first time. There were eight races and 21 qualifiers for final standings. Albert Emanuel's *Kolibri* took 1st in IOR, Abbott Fletcher's *Majek* won NERR, Jan Pederson's *Heitoik II* was 1st in MORC. *Majek* was the overall season champion.

There were still two divisions, and 26 boats qualified for final points. Doyle Marchant's *Revolution* won the IOR division. *Barbara*, skippered by Del Damboise, took 1st in MORC.

1977: Twenty-one boats qualified for final scoring. Merle Hallett's *Scaramouche* was 1st in IOR A, J. and Dave Corson's *Rub-a-Dub-Dub* won IOR B, Abbott Fletcher's *Majek* won the NERR division, and Payson Adams *Pointin Star* was tops in MORC

Doyle Marchant's *Revolution* and J. and Dave Corson's *Rub-a-Dub-Dub* won IOR A and B respectively. Abbott Fletcher in *Majek* took the NERR division, and Dave Cordeau's *Fast Company* emerged tops in MORC.

Kaos, skillfully sailed by Scott Smithwick and his outstanding crew, is winner of the Dirigo Bowl.

2009: GMORA teamed up with SailMaine to launch the first annual SailMaine Regatta. Funds raised through entry fees and product sales benefited the SailMaine community sailing program in Portland, which offers sailing instruction and coaching to youth, high-school teams, and adults. Pete Price's *Big Dog Party* won Division 1; Scott Smithwick's *Kaos* took first in Division 2; *Tamarack*, skippered by Bob Kellogg, took top honors overall in Division 3; *Pit Party*, co-captained by Rich Ketchum and Steve Fernald, was 1st overall in Division 4; Randy Rice's *Rita P* took 1st overall for Cruising Class. Scott Smithwick and *Kaos* scored a repeat, winning the Dirigo Bowl for the second straight year.

2010: GMORA introduced the *Ocean Planet* Shorthanded Racing Trophy to recognize excellence among singlehanded and doublehanded racers. The winner would be the yacht with the best six race days, two of which had to be sailed in a race with a distance of 50 miles or greater. Bruce Schwab, skipper of the Open 60 *Ocean Planet* that competed in

the Around Alone Race, donated an artifact from the original *Ocean Planet* to serve as a perpetual trophy. Butch Minson, skipper of *Cat's Paw*, was the first winner of the trophy.

The PHRF Maine Regatta moved to the Boothbay area, as Boothbay Harbor and Southport Yacht Clubs teamed up to host a two-weekend series of races.

At year's end, Pete Price's *Big Dog Party* emerged at the top of Division 1 overall, Scott Smithwick's *Kaos* won Division 2, Butch Minson in *Cat's Paw* took Division 3, Rob Hawley won Division 4 in *Rainier*, and Randy Rice's *Rita P* was tops in Cruising Class.

Scott Smithwick and his crew on *Kaos* won the Dirigo Bowl for a third straight year, edging out Don Logan's *Keemah* by just a few points.

2011: The racing schedule was revamped in an effort to ease delivery logistics and encourage more boats to participate. Following the Fourth of July weekend, the action moved straight to Penobscot Bay, where the Rockland Yacht Club stepped up to the plate and hosted a "revival edition" of a favorite point-to-point race to Castine and back. Racers competed the following weekend

It only makes sense for a great yacht-racing organization to have a great online presence. We've got it the web at www.gmora.org and on social networking sites like Facebook!

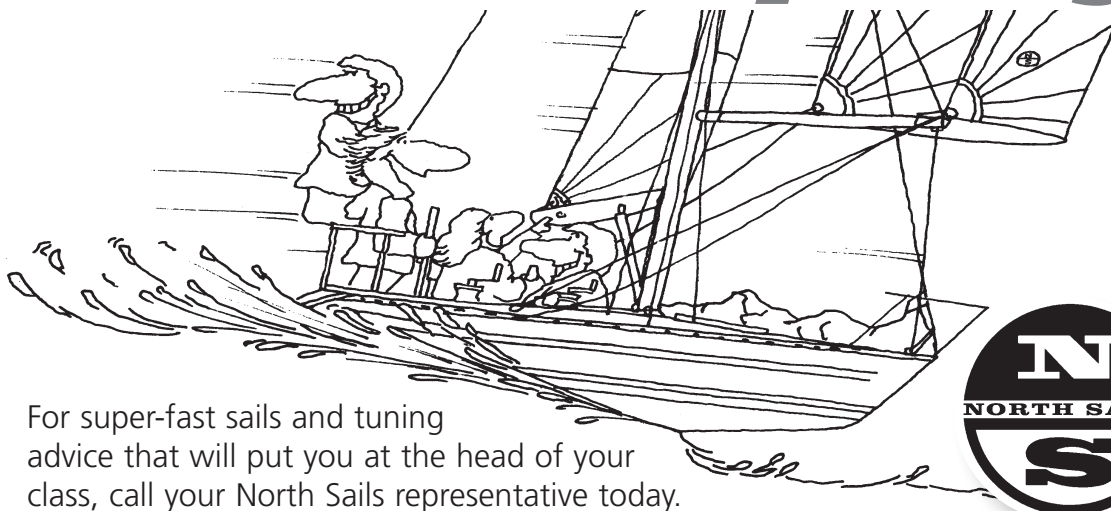

Like the *Maine Yacht Racing* yearbook, www.gmora.org offers a broad range of information and services to help get you and your boat to the starting line. The 2015 schedule and links to host yacht clubs are all there. Race results are added — and standings updated — all season long.

Want to get more involved with GMORA as a volunteer? There's a page telling you how.

There's even a way for boat owners/skippers to set up a page dedicated to their own boat — it's a great way to manage deliveries, crew, and other logistics.

If you like us on Facebook, you can get status updates, view or post photos, or join a discussion.

HISTORY, from Page 33

off Camden, and then boats harbor-hopped their way back west, with stops at Boothbay and Southport before the big Monhegan overnighter.

Scott Smithwick and his talented crew aboard *Kaos* were once again dominant, winning the Dirigo Bowl for a fourth consecutive year. *Big Dog Party*, skippered by Pete Price, won Division 1; *Kaos* emerged atop Division 2; Butch Minson's *Cat's Paw* was 1st overall in Division 3; and Randy Rice's *Rita P* won Cruising Class.

The Penobscot Bay Rendezvous was added to the circuit and proved very popular. The inaugural running of the Gulf of Maine Solo-Twin race from Provincetown to Rockland was a hit with single- and double-handed racers.

Don Logan's *Keemah*, Peter Price's *Big Dog Party*, and Richard Stevenson's *Buzz* battled it out all summer for the Dirigo Bowl, with *Keemah* emerging as the victor at the end after the Portland Yacht Club's Fall Series was done. Overall division winners were *Big Dog Party* in Division 1, *Keemah* in Division 2, and in the Cruising Division, Randy Rice came in first in the new-to-him Pearson 34 *Imagine*. *Buzz* won the Ocean Planet Shorthanded trophy.

: Scott Smithwick and crew on board *Kaos* once again schooled the fleet taking home the Dirigo Bowl, for the fifth time in six years, but not without some drama in September. At the end of August, *Kaos* lead *Keemah* for the overall by 11.1 points, and proceeded to extend her lead after the first Fall Series race. However, the next week, in the Lightship Race, *Keemah* beat *Kaos* to cut into *Kaos*' lead, but not by enough.

The die was cast.

Overall division winners were Scott Smithwick's *Kaos* in Division 2 and Butch Minson's *Cats Paw* in Division 3. There were no overall winners in Divisions 1, 4 or Cruising. Scott Miller's *Resolute* won the *Ocean Planet* Shorthanded Trophy.

Scott Smithwick won the Dirigo Bowl for the sixth time in seven years. Congratulations are definitely in order for Scott's dominance on the racecourse. Scott Miller won the Ocean Planet Trophy, and Richard Parent took home the Arthur K. Watson Memorial Trophy.

The Overall division winners were Scott Smithwick's *Kaos* in Division 2, Rich Ketchum's *Pit Party* in Division 4, Marc Lorraine's *Hightail* in Cruising and Scott Miller's *Resolute* in Shorthanded. There were no Overall winners in Divisions 1 and 3.

Congratulations are in order for Ryan and Michelle Raber and their well-honed crew in their first season on the new *Scapa* as they held off Scott Smithwick and *Kaos* to win the Dirigo Bowl. The Overall winners were *Scapa* in Division 2 and Butch Minson on *Cats Paw* in Division 3. There were no Overall winners in Divisions 1, 4 and Cruising.

Points East, for the first time, awarded the Yachtsman of the Year to the Double Handed team of Scott Miller and Gregg Carville for their accomplishments on Scott Miller's J/122 *Resolute* in the Bermuda 1-2, the Marblehead to Halifax Race and the Fastnet Race.

Once again, the format change to a cocktail party for the fall Awards evening was a big hit as just under 100 sailors gather for the festivities at the Centerboard Yacht Club on the shores of Portland Harbor.

Weeknight events: A fun way to get started

The onset of summer and the start of sailing regattas and weeknight racing gives everyone a chance to reconnect after the long winter and remember why sailboat racing is so much fun. This is also the time when sailors should act on their promises to “winter friends” about taking them out for a sail.

Weeknight racing happens at almost every yacht club in the country, and provides the perfect venue for spreading the sport of sailing to almost anyone who wants to try it. Weeknight racing exploded in popularity in the 1990s as people’s budgets and time were cut short by growing workloads and the bursting bubble of the 1980s economy. Strong participation in weeknight racing has created a new generation of sailors who are passionate about the sport.

Weeknight races typically have low entry fees or none at all, and some clubs and organizations open the racing to non-members as well. This ease of participation lets more boat owners try the sport at a low impact to their wallet. Weeknight races give owners the benefits of training, cultivating, and practicing with their crew to help hone their teams’ skills. These benefits boost boat owners’ comfort level, preparing them to enter weekend events.

The casual setting of weeknight racing, sometimes called beer-can racing, is the perfect way to introduce new people to the

sport. The finite amount of time, usually two to three hours for a weeknight race versus a daylong event, is more appealing to someone who has never raced or never even sailed. Often enough, the short race gives the newbie enough of a taste of the sport to want more. After a few weeknight outings, they will often ask their skipper if they can participate in other events. This can give the boat owner enough motivation to enter a weekend event.

Take your friends racing. Your recruits don’t need vast amounts of talent, experience or knowledge. The only

requirements are a desire to be on the water, a good attitude, and willingness to learn. Just a couple of hours of sailing in your favorite weeknight race with a newbie can help keep our sport going strong.

You may find a sailing connection at work, or through social networking web sites like Facebook. Or you can just show up at a club on the appropriate night, hang out on the dock, and ask if anyone needs crew. You may be surprised about the people you meet and just how willing some skippers are to take on new people for an evening sail.
