## About this publication

Maine Yacht Racing is the official publication of the Gulf of Maine Ocean Racing Association and is published annually each spring.

Points East Publishing, Inc., under contract from GMORA, publishes Maine Yacht Racing using editorial content from GMORA contributors and Points East Magazine. Points East Publishing, Inc. also publishes Points East Magazine – the magazine of coastal New England cruising – nine times a year.

Maine Yacht Racing is mailed free to all GMORA members and is also distributed through sail lofts, yacht clubs, and chandleries throughout New England. A total of 2,000 copies of this publication are printed and distributed at the beginning of May. If your favorite sail loft or yacht club has not received a supply of the publication, or has run out of copies, please contact the publisher at 1-888-778-5790. Individual copies, other than those mailed directly to GMORA members, can be purchased for \$5 per copy, which includes 1st-class postage.

## Check the GMORA website for more information

We have moved some of the usual yearbook content to our website to help streamline the printed version. On [gmora.org](http://gmora.org) you will find:

- Results from last year's races;
- The full GMORA history;
- Many more stories about Merle Hallett.

You'll also find past versions of the yearbook along with much more information about our organization.

# The President's Page

Welcome Friends and Sailors,

The 2023 season is approaching with high hopes of sunny days, fair winds and renewed excitement for the coming season. The momentum of some well-run events in Camden and Boothbay during 2022 continued to impress in spectacle and in participation showing us there is a path towards growing interest in our sport. Alternatively, some of our smaller, but much enjoyed, club events have become marginalized. With the shortage of volunteers who make these events great, the work is never done. The balancing act between family, work and sailing has led many of us to make concessions in some way.

To grow our sport, I encourage everyone to give back by helping with an event at your club or junior sailing program. We need to keep these smaller events viable so we can all enjoy them for the future. I feel incredibly lucky to enjoy a Saturday afternoon club race with family and friends where a young skipper may be at the helm of their first keel boat race. These races that happen up and down the coast of Maine are our entry point for young and new sailors and make for the best kind of fun. Thank you to all the volunteers that make them happen. We appreciate you.

My 2022 summer kicked off in February with sailing in Tampa, followed by a few down island events and as always mostly Maine for the summer. For me, it does not matter where it starts. I want to be in Maine enjoying the best summer and fall sailing there is. I had the opportunity to sail from regatta to regatta with family and friends which is truly something for which we should be grateful as it is the best way to enjoy Maine. The amazing views of our coast should give us pause to consider how fortunate we are. Thank you to every club, organizing authority, marina, boatyard, and friends with whom I was able to sail and enjoy the summer.

In life good things must find their conclusion. Last fall and early winter saw the passing of my good friends Merle Hallett, PYC serial volunteer Doug Coyle and my great mentor Ken Weg. While it is always sad to lose people close to us, the benefit of taking time to reflect is part of that process. It allows us to remember how they touched our lives and how they contributed to the world around them.

Please take new people sailing. Let the kids drive when you can. Volunteer if you are able. Help each other like Merle, Doug, and Ken showed us.

As always, I cannot wait to see you on the water.

Best

Brent

# Conditions of Eligibility, Scoring and Trophies

## Eligibility

Each boat with a valid PHRF-NE or NEMA certificate whose owner is a current GMORA Regular Member in good standing shall be considered eligible for scoring.

## Scoring

### RACE DAY

A Race Day is one day of racing, whether one or more races are conducted. A competitor must start at least one race on a day for that Race Day to be eligible to be scored. If a boat scores DNC in all races on any day, that day will not be scored as a Race Day. Races with a defined course length of 100 nm or longer will be scored as two Race Days, even if the course is subsequently shortened by the race committee. A boat will earn Race Days and points based on the course that boat starts on, even if different divisions in the same regatta sail different courses, and even if some boats from the subject boat's GMORA division sail a different course.

### SCORING SYSTEM

Race Day performance of a yacht will be scored by GMORA using the CHIPS 3 scoring system, which weighs results by reference to the number of competitors in a particular division. So, for example, a first place in a division of 12 competitors will yield a higher score than a first place in a division of 5 competitors.

For the purpose of determining the season-long awards, CHIPS points will be awarded based on the number of competitors in the class who sailed in or designated the same GMORA division.

This means that if there are ten boats in a spinnaker-legal division, and two designate themselves as short-handed prior to the regatta, then the crewed boats will be scored as though there were eight boats in the regatta division, and the short-handed boats will be scored as though there were two boats in the division.

## Division Breaks

For GMORA scoring PHRF-NE Racing Division breaks will be:  
Division 1 – up to 93  
Division 2 – 94 to 192  
Division 3 – 193 and up

**Cruising Class** yachts that race on the same course shall be scored in one Division. If a regatta has more than one course for cruising class yachts, then yachts shall be scored against the yachts that raced the same course. In either case, the points earned will apply to the same year-end awards.

**Multihull Class** yachts shall be scored in one Division.

**Shorthanded Class** yachts shall be scored in one Division in regattas that offer one short-handed class. If a regatta recognizes more than one short-handed class, then short-handed yachts will be scored against the yachts that raced in the same class. In either case, the points earned will apply to the same year-end awards.

**J80 Class** yachts shall be scored in one Division.

*Member clubs are encouraged to use the same breaks where feasible.*

## Scoring

A Racing Class yacht shall be scored in her GMORA division irrespective of the division in which she races in any specific regatta. As an example: if a yacht has a Racing rating that places her in GMORA Racing Division 2, but the Race Committee places that boat in Racing Division 1 (for any reason), she shall earn points for each boat beaten that day, and those points shall be applied to her GMORA score against her Division 2 season competition.

Racing, Cruising, Multihull, and Shorthanded Classes shall be scored separately. Yachts that score a Race Day in one Class shall not apply that score to any other Class.

Standings for the day are determined by the low point scoring system, which is described in the Racing Rules. A yacht that is present and accounted for in the starting area but does not start a race will be scored DNS for that race will be considered to have competed and will be scored accordingly with a Low Point score of 1 plus the number of yachts. CHIPS 3 points for the day are awarded based on the resulting standings.

### REGATTA RESULTS SUBMISSION THROUGH DESIGNATED PORTAL

As a condition of scoring a regatta in the GMORA Season Series, organizing authorities must submit scoring information through the portal designated by GMORA for that purpose within 14 days of completion of the regatta. For the 2023 season, that portal is Regattaman. The designation will remain the same unless or until GMORA announces a change in the designated portal. A change in designation shall be announced at or before the meeting at which the schedule is determined. The announcement shall be sufficient if broadcast through the GMORA email function.

### RACE COMMITTEE SUPPORT CREDIT

The purpose is to encourage yacht owners to support Race Committees by awarding GMORA points for Race Committee participation in GMORA-scored events. GMORA points will be awarded to a yacht whose owner provides support for a Race Committee. The following rules apply:

Race Committee support points will be awarded for at most two race days per season.

The owner must serve on the Race Committee for all races in each of the one or two race days.

To qualify for an award, a yacht must still race the required minimum number of race days.

Race Committee Points will be calculated as follows: Take that yacht's trophy-qualifying scores after throw-outs, drop the lowest one or two scores (depending on the number of days supporting the Race Committee in that region) and replace them with the average of the trophy-qualifying scores.

This calculation will apply to the Region, the Overall, and the Dirigo Bowl trophies. This will not apply to the Watson Trophy, the Ocean Planet Trophy, or other special awards.

## Trophies & Awards

Awards are based on the Chips-3 scoring table (also known as high-point percentage scoring). With Chips-3 scoring, a vessel that wins in a larger fleet is rewarded more handsomely as compared to a vessel that wins in a smaller fleet (refer to the Chips-3 table).

**REGIONAL AWARDS**

Trophies will be awarded to eligible yachts in the three (3) GMORA Racing Divisions, the Cruising Division, and J/80 Class. Second and subsequent place trophies will be awarded if participation in the division is sufficient.

**Western Region:** To be eligible, a yacht must race at least four (4) Race Days in races designated for the Western Region (includes events labeled ALL) in the Race Schedule. Best four (4) Race Days count. Race Days must be from at least two different organizing authorities and at least four (4) separate events.

**Boothbay Region:** To be eligible, a yacht must race at least four (4) Race Days in races designated for the Boothbay Region (includes events labeled ALL) in the Racing Schedule. Best four (4) Race Days count. Race Days must be from at least two different organizing authorities and at least three (3) separate events.

**PenBay Region:** To be eligible, a yacht must race at least four (4) Race Days in races designated for the PenBay Region (includes events labeled ALL) in the Racing Schedule. Best four (4) Race Days count. Race Days must be from at least two different organizing authorities and at least four (4) separate events.

**Eastern Region:** In lieu of participating in the GMORA season series, GMORA makes an annual contribution to the Great Harbor Dream youth-sailing project.

If there is a region in which only one organizing authority properly submits scoring information to GMORA, then the requirement that a yacht race under two different organization authorities is eliminated for that region in that year. In that event, the yacht must have raced three (3) Race Days in that region (including events labeled ALL) to qualify for a regional award. This paragraph does not alter the requirements for any other award.

**GULF OF MAINE OVERALL CHAMPIONSHIPS**

To be eligible, a yacht must race at least five (5) Race Days, best five (5) Race Days count, and must be in events that are hosted by at least two (2) different organizing authorities; see the Racing Schedule. For example, if a vessel sailed five (5)

Race Days under the auspices of the Portland Yacht Club, she would still have to compete in at least one (1) Race Day under another organizing authority to qualify.

**MULTIHULL CIRCUIT CHAMPIONSHIP**

To be eligible, a multihull yacht must race four (4) Race Days in any GMORA sanctioned region. The best four (4) race days count.

**SHORTHANDED CIRCUIT CHAMPIONSHIP**

GMORA will score a shorthanded circuit championship. To qualify for the shorthanded circuit championship, a yacht must race at least three (3) qualifying Race Days, including at least one race 45 nautical miles or longer; and must race all qualifying races with a crew of at most two (2). The best three (3) days count. At least one race, 45 nautical miles or longer, must be counted.

A qualifying race day is defined as follows: If there is a shorthanded class, the yacht must race in that class, except as set forth below. The yacht would be scored against that class.

If there is a single-handed class but no double-handed class, then a double-handed boat may race in the crewed division in which she would normally race with a spinnaker. The single-handed yachts would be scored against the other single-handed yachts.

If there is no shorthanded class, then a shorthanded boat may race the crewed division in which she would normally race with a spinnaker. The yacht would be scored only against other shorthanded boats

If a regatta offers more than one shorthanded class for boats flying spinnakers, then yachts shall race in their respective assigned classes and earn points against those classes. Multihull yachts that meet these requirements are considered eligible. Cruising Class boats are not eligible.

When a shorthanded boat starts with another class, it is the responsibility of the owner/skipper to notify the GMORA scorer that said boat should be scored in the shorthanded standings.

**J80 Circuit Championship**

To be eligible, a yacht must race in all the combined fleet

## CONDITIONS, continued from Page 7

events designated to count towards the J/80 Maine Circuit Trophy (See race schedule). The lowest score after all counted regattas will determine the winner. Events designated to count shall be decided by J/80 Fleet 14-Maine before racing begins for the season.

### PERPETUAL TROPHIES

#### Dirigo Bowl, Gulf of Maine Championship

The winner shall be the yacht that attains the highest score for the best five (5) Race Days hosted by at least two (2) organizing authorities.

#### Arthur K. Watson Memorial Trophy

It is awarded to the yacht that participates in the most GMORA sanctioned Events. In the event of a tie, the trophy will be awarded to the yacht that has the highest cumulative Race Day CHIPS 3 points.

There is no distinction granted to specific Division participa-

tion. Yachts in all Divisions, both Racing, and Cruising, are eligible.

Eligibility is recognized even when a yacht participates in more than one Division. Yacht scores from all Divisions will be added together to be cumulative.

Events are Series recognized and sanctioned by GMORA.

#### Ocean Planet Shorthanded Racing Trophy

Awarded to the first-place winner of the Shorthanded Circuit Championship.

#### CHIPS 3 Scoring Table

This table (page 7) gives the points awarded to each boat at the end of each day of racing. Notice that each column has one more than the number of boats. The last number indicates the points awarded for DNF. For example, in the first column (for just one boat), the upper number is the points awarded if the boat finishes, and the lower number if the boat does not finish.

# Memories of Merle Hallett 1928-2022

By **Geoffrey Emanuel**

Between 1945 and 2020, Merle Hallett, who passed away at the end of 2022 at age 94, established and maintained a legendary reputation along the Maine Coast and throughout the US as an extraordinary sailor, personality, and contributor to the betterment of sailors, the sport and humanity, including his decades long commitment as founder and Chair of the MS Regatta, Portland Yacht Club officer and President of the Gulf of Maine Ocean Racing Association (GMORA).

I raced against Merle for over 40 years. I don't recall the first time I met Merle, but it was sometime in the early 1970s. My family raced a series of boats called *Kolibri* against Merle's various yachts called *Scaramouche* throughout the 1970s. The rivalry was competitive but more importantly was a blast!

For the first half of the 1970s, Merle raced a Pearson 36 while my family sailed a Swan 44. The two boats clashed repeatedly in an 8-race circuit called the Gulf of Maine Ocean Racing Circuit. Back then, 6 of the 8 races were overnight courses. This included Pilot, Haraseeket, Boon Island, Whaleback out of Kittery Maine and the Blue Hill Race sponsored by the Kolledgeiwedgewock YC in Blue Hill. The two-day races were the weekend long Boothbay Regatta and Camden-

Castine.

The two boats were cruiser racers with full interiors and heavy displacements by modern standards. The crews slept aboard the boats and helped deliver them to the various racing venues. The two crews got to know each other quite well. My father Albert and Merle became good friends. That friendship endured until my father's passing in 2007.

I got the first opportunity to race with Merle on his new, Handy Boat-built 42-foot sloop in the 1978 Stamford-Vineyard Race. The race was memorable primarily for the light air marathon it became. Not long after the start, we are beating in light air. Merle, who was on the helm, called for an adjustment to the jib halyard. He whispered his request, and no one heard him. After attempting to get someone to respond, he gave up, walked forward from the helm, made the adjustment himself and returned to steering the boat. Little was said by anyone! I do not recall the boat varying much from its course during this episode!

Thank you, Merle, for your leadership in building racing in the Gulf of Maine.

## **Centerboard Regatta**

June 10, 2023  
Centerboard Yacht Club  
South Portland, Maine  
FMI: [www.regattaman.com](http://www.regattaman.com)

The Centerboard Regatta kicks off the competition for the 2023 racing season. Courses for multiple classes will be set for one long race starting off Portland's Eastern Promenade and sending boats out through the many islands of Southern Casco Bay. A celebration will occur after the race with pulled pork dinner, live band, and drinks!

## **Camden Summer Series**

June 10, 11, 24, 25 2023  
Camden Yacht Club  
Camden, Maine  
FMI: [www.camdenyachtclub.org](http://www.camdenyachtclub.org)  
Registration:  
[www.regattaman.com/new\\_event\\_page.php?race\\_id=323&yr=2023&cancel\\_dest=calendar.php](http://www.regattaman.com/new_event_page.php?race_id=323&yr=2023&cancel_dest=calendar.php)

The Camden Yacht Club Summer Series races are open to everyone with a current PHRF-NE certificate. June is a wonderful time to race on Penobscot Bay with generally decent wind and no fog. Come and

enjoy 2 weekends in Camden! It's early in the summer season so conflicts with other personal and family events are generally limited. This race series is an important part of the GMORA 2023 race series for Maine. The races are professionally run with the focus on everyone having fun and open to all levels of skippers and crews. Typically, the 4-race day regatta is divided into two or three cruising divisions based on PHRF ratings with between 4-10 boats per class. The regatta is a cruising class regatta thus a non-spinnaker, jib and main only race event. The division winners will be judged based on the best of 3 of 4 races. Prizes will be awarded. There is a lively debrief for all skippers and crew after each race to discuss fun highs points and sad low points – all in good fun. Not to be missed.

## **PYC Pilot Regatta**

June 17, 2023  
Portland Yacht Club  
Falmouth, Maine  
FMI: [www.portlandyachtclub.com/racing](http://www.portlandyachtclub.com/racing) or email [pycrace@gmail.com](mailto:pycrace@gmail.com)

Come join Portland Yacht Club in their first weekend regatta of the season. Boats will race around the bay as we embrace the start of summer! Racing, Cruising and One-designs are all expected to compete in this classic race day. After the racing ends the competitors will enjoy food and drinks at PYC.

Moorings and launch service are available for visiting boats participating in the regatta.

**Weeknight racing**

**RYC Solstice Race**

June 17, 2023  
 Rockland Yacht Club  
 Rockland, Maine  
 FMI: [www.rocklandyachtclub.org](http://www.rocklandyachtclub.org)

Since the late 1990s, the Rockland Yacht Club has held an annual race on the Saturday closest to the longest day of the year.

Aptly named the Solstice Race, this event is held around government marks in West Penobscot Bay. Racers can look forward to friendly, spirited competition and a chance to knock the rust from sailing skills and reflexes dulled by a long Maine winter. An awards cookout and trophy presentation follow the racing for Racing as well as Cruising divisions. This is the reward for those who get their boats in early; come out and mix it up!

Moorings: RYC has moorings for rent, first-come, first-served. For additional moorings contact Journeys End (207) 594-0400, Ocean Pursuits (207) 596-7357 or Landings Marina (207) 596-6573.

**Harraseeket Regatta**

June 24, 2023  
 Harraseeket Yacht Club  
 South Freeport, Maine  
 FMI: [www.HYC.cc](http://www.HYC.cc)

The Harraseeket Regatta offers racing around some of the most beautiful parts of Casco Bay. The race follows a pursuit format,

with the smallest and highest-rated boats starting first — no crowd at the starting line. When boats sail to their rating, the finish can be exciting as the faster boats catch up to the early starters, and everyone crosses the finish within a few minutes of one another.

HYC offers a friendly, casual atmosphere in one of the best-protected harbors in Casco Bay. What a great way to mix racing and cruising in a single weekend! Visit our website for more information on our 75th anniversary celebrations.

Moorings: Visiting yachts needing a mooring should contact Strouts Point Wharf Company (207) 865-3899; VHF Ch. 9 or Brewer’s South Freeport Marine (207) 865-3181; VHF Ch. 9.

**BHYC Commodore’s Cup and Classics Races**

July 1, July 15, August 5, & August 19 2023  
 Boothbay Harbor Yacht Club  
 Boothbay Harbor, Maine  
 FMI: [www.bhyc.net](http://www.bhyc.net)

The Commodore’s Cup and Classics series consists of 4 separate one day races in Boothbay. Both One design and PHRF racing with both windward/leeward and longer race formats are used. Classic yachts are encouraged to join the racing. This race format allows for a wide range of participants and has been a local favorite race for many years. Sail among Friendship sloops, Boothbay Harbor One Designs, schooners and gaff rigged vessels.

The race is open to club members and non-club members alike. The Commodore’s Cup after race reception features the “Commodore’s Punch.”

## PYC Schooner Trophy Race

July 1, 2023

Portland Yacht Club

Falmouth, Maine

FMI: [www.portlandyachtclub.com/racing](http://www.portlandyachtclub.com/racing) or email [pycrace@gmail.com](mailto:pycrace@gmail.com)

Join PYC in celebrating Independence Day with a fun race around the bay. This is a jib and main only race, no spinnakers allowed.

Labor Day 1962 saw the inaugural Schooner Trophy Racesending 24 crews 11 miles around a dozen marks in Casco Bay. A plaque with the winner's name was placed below the original schooner model donated by Dana Bowker, since replaced by the schooner America. The race was contested until 2002 when it took a hiatus until the most recent resurrection in 2010.

## Carole Haaland Series

July 4, 9, 16, & August 4, 6, 13, 27, 2023

Northeast Harbor Fleet

Northeast Harbor, Maine

FMI: [www.nehfleet.org](http://www.nehfleet.org) or email [ehfleet@gmail.com](mailto:ehfleet@gmail.com)

Join the Northeast Harbor Fleet and some of Maine's most beautiful sailing boats in one of Maine's most beautiful cruising grounds. Strategy and sail trim skills will be tested on a variety of challenging courses. Regardless of the results, there are few activities more fun than a day spent sailing the waters of MDI. The series consists of 8 races and cruising class boats do not need to be members of the Fleet to participate. If you find yourself in the area and are looking for a fun way to see the islands, don't hesitate to join us!

## Quahog Quest

July 8-9, 2023

Centerboard Yacht Club

South Portland, Maine

FMI: [www.regattaman.com](http://www.regattaman.com)

Centerboard kicks off this fun family-friendly event for racers and non-racers in sailing from Portland Harbor to Quahog Bay. After rafting up at Quahog, a grilled dinner prepared by the race committee will be delivered boatside to all participating boats. Spend a night under the stars and show up at the starting line Sunday morning to race home for another celebration and Award celebration at Centerboard.

## 'Round Southport Race

July 9, 2023

Southport Yacht Club

Southport, Maine

FMI: [www.SouthportYachtClub.org](http://www.SouthportYachtClub.org)

The winner of this local race is awarded the coveted "Around Southport Trash Can Trophy" and includes bragging rights for a year by either Southport Yacht Club or Boothbay Harbor Yacht Club-winner take all! Normally a pursuit race, it is directed each year by Southport and the next by BHYC. In 2023 SYC will be the organizer. This race is open to all participants. The winner is named by the number of boats finishing at the top from a club.

scot Bay. After a several year hiatus, this race is returning in 2023. The name accurately describes the awards for this race series comprised of two races. Each racer will receive a 'paper cup' indicating their event participation and place. Both races are family friendly pursuit races. The first being from the start line outside of Rockport Harbor and racing a course to the first finish line at Pulpit Harbor on North Haven. A lunchtime break will occur in Pulpit Harbor where racers can raft up for lunch. The second race, held in the afternoon, will race from Pulpit Harbor to Camden. A cruising and a racing division are planned for both heats. Following the race, a catered dinner (tickets to be purchased on Regattaman) and awards ceremony will be hosted by the Rockport Boat Club in Rockport Harbor. Note, all competing boats must have a current PHRF rating available through GMORA/PHRF NE. All race and din-

ner registration information, SI, and NOR documents will be available through Regattaman.com.

Moorings/Dockage: Please contact the Rockport Harbormaster (207-236-0676 or 207-939-1507) for dock space or mooring contact information.

**RACING REPORTS, continued from Page 13**

was enjoyed by all. This year will be fun, challenging, crazy, or it could just be a disaster!

One course, 4 marks located across the bay, so they are accessible to boats from various ports. Boats may start at any mark, then they round the other three marks and finish where they started. Seems pretty simple, we think...

**49th Annual BHYC Regatta & Shipyard Cup Classics Challenge**

July 22-23, 2023

Boothbay Harbor Yacht Club

Boothbay Harbor, Maine

FMI: [www.BoothbayRegatta.com](http://www.BoothbayRegatta.com) or [www.BHYC.net](http://www.BHYC.net)

The BHYC Regatta attracts boats of various classes from all over Maine to race two full days in and around Boothbay Harbor.

The regatta is a premier event on the Gulf of Maine Ocean Rac-

ing Association (GMORA) sailing circuit. PHRF racers, cruisers, one-design racers (Boothbay Harbor One-Designs, J/80s, J/24s, and J/22s) are invited. Competition features a mix of windward-leeward and "round the islands" racing in Boothbay with coastal islands such as Squirrel, Southport and Damariscope Island acting as picturesque backdrops and interesting geographical obstacles. Cruising classes sail one long race each day winding themselves through the many islands and guts along the Gulf of Maine. In 2021 the Shipyard Cup was incorporated into the BHYC Regatta. This added a significant number of Classic competitors, and the regatta is now the first in the Maine series for the Classics Challenge.

The Camden Classics Cup is one of the world's most beautiful regattas - sailed where the mountains meet the sea off the lovely harbor town of Camden, Maine. Celebrating its 7th year, the Camden Classics Cup aims to give sailors the time of their lives with terrific on-the-water racing, and stellar onshore social events.

Presented by Lyman-Morse with support from the CYOA and many industry sponsors, the Camden Classics Cup is a celebration of both classic yacht racing and boatbuilding. Enjoy two days of racing for classic, vintage, SoT, PHRF, one-design and day racers against Penobscot Bay's panoramic backdrop. Participants will have access to Lyman-Morse's newly redeveloped Marina facilities with restaurants and shops on the boardwalk and a full weekend of events in the lovely town of Camden! A portion of all entries is donated to LifeFlight Maine. Since inception, the event has raised over \$65,000 for this essential service.

## Downeast Challenge

July 28-29, 2023  
Marblehead Yacht Club  
Marblehead, Massachusetts - Portland, Maine  
FMI: [www.Regattaman.com](http://www.Regattaman.com)

The Marblehead Yacht Club invites sailors to participate in the Downeast Challenge, an exciting overnight, full-moon, sailboat race of 100 nautical miles from Marblehead, Mass. to Portland, Maine starting on Friday, July 28. This is a great way to get to Maine for summer cruising in the company of like-minded sailors. The 100 nautical mile distance makes this a qualifier for longer races like the Marblehead to Halifax or Newport to Bermuda. The event is open to all boats 26' or over with lifelines, jacklines and pulpits, and with valid PHRF handicap certificates. Boats without a valid PHRF handicap certificate must indicate if racing in spinnaker or

non-spinnaker class, and provide information on boat design, largest headsail (in percentage of "J" measurement), type of propeller (fixed, folding or feathering) and, if in the spinnaker class, the largest spinnaker (in percent of "J"); Marblehead YC will provide an uncontested PHRF rating. Classes will include: PHRF Racing, Cruising, and Single/Doublehanded. Additional classes that have 5 or more registered boats will get their own start.

## Turtle Head Trot

August- TBD  
Stockton Harbor, ME  
FMI: <https://sailstockton.wordpress.com/> or email [info@sailstockton.net](mailto:info@sailstockton.net)

Founded in 2007, Stockton Harbor Sailing Center partners with GMORA to revive PHRF sailing at the top of Penobscot Bay and offer big boat sailing opportunities to their youth sailing participants.

Racing and Cruising Classes will start at the mouth of Stockton Harbor and sail around government marks in Penobscot Bay before returning to Stockton. Limited docking and moorings may be available on a first come, first served basis.

## Monhegan Island Race & Seguin Sprint

August 3-6, 2023  
Portland Yacht Club  
Falmouth, Maine  
FMI: <https://www.monheganislandrace.org/>

It began with a desire to go to seal. Since 1928, the Monhegan Island Race has celebrated the tradition of sailing offshore in the Gulf of Maine. Competitors will experience scenic sailing from sunrise to sunset on beautiful Casco Bay, the infamous hospitality of the Portland Yacht Club, and the history of a race that has run over 90 years!

### **Family Wagon**

The traditional Monhegan Island Race, 140 nm, will begin on Friday, and the Seguin Sprint, 50nm, will begin on Saturday. From Racers to cruisers, multi-hulls to midgets, sailors young and old are welcome to participate. Those on shore will be able to follow every move of the fleet online using the Yellowbrick trackers.

Don't miss the epic Monhegan kickoff party this year with plenty to offer all attendees. Attend a stellar awards breakfast on Sunday. Sponsored by Pat's Pizza and Gritty's beer, the hospitality tent meets sailors with food, drink and camaraderie no matter what time you finish.

For more information visit the event website.  
<https://www.monheganislandrace.org>

### **The Third Annual SailMaine Festival and Regatta**

August 12, 2023  
 SailMaine Community Sailing  
 PO Box 574  
 Portland, Maine 04112  
 FMI: [WWW.SAILMAINE.ORG](http://WWW.SAILMAINE.ORG)

Join us for a fun day of racing in beautiful Casco Bay and help support the SailMaine Scholarship and Outreach Programs. SailMaine provides nearly \$30,000 in need-based scholarships per year. SailMaine provides over \$50,000 in free sailing to underserved populations.

SailMaine subsidizes 40% of the cost of junior programming through public support which is equal to about \$250,000 annually. Saturday's events start at 10:45 with the Parade of Sail from the Brothers to the Eastern Prom starting area, including the Windward Exhibition—painted art sails. The Regatta will begin at 12:30. Our expert Race Committee runs courses of varying lengths through Portland Harbor to Clapboard Island. The details of the course will

depend on the weather conditions. There will be racing, cruising and one-design classes so class sizes are kept small.

New this year there will be a second non-PHRF line for 420s and small boats that will encourage parent child racing. The skippers meeting on Friday and the Post Race party on Saturday will be held at Portland Yacht Services at 400 Commercial Street. Help celebrate a day of racing, while supporting a great cause for a local non-profit organization. Be our guest at the post race party and enjoy some great food, beverages, music, and of course the awards

### **RYC/Sail Power & Steam Museum Scholarship Race**

August 19, 2023  
 Rockland Yacht Club  
 Rockland, Maine  
 FMI: [www.rocklandyachtclub.org](http://www.rocklandyachtclub.org)

The Rockland Yacht Club (RYC) in partnership with the Sail Power and Steam Museum (SP&S) is pleased to announce the 2023 Scholarship Race. Our mission is to provide a quality sailing race, the purpose of which is to raise funds to promote educational opportunities for youth sailing programs and maritime skills development on mid-coast Maine. To that end, the primary recipient of this year's event will be SP&S's youth sailing program, introducing the sport of sailing to children from Rockland and the surrounding area.

### **Bluewater Regatta**

August 19, 2023  
 Centerboard Yacht Club  
 South Portland, Maine  
 FMI: [www.regattaman.com](http://www.regattaman.com)

Come join us for our 9th Annual Bluewater Regatta! The format will be one long race starting near Fort Georges, which sends boats out through and around the islands of Southern Casco Bay. After the day's sailing, return to Centerboard YC for our Club Lobster Bake with a live band.

Moorings: Limited moorings may be available and dock space (5 ? ft max draft at low tide), contact CYC at (207) 799-7084 or on VHF Channel 68 for reservations.

### Max Warburg Trophy

August 27, 2023

Northeast Harbor Fleet

Northeast Harbor, Maine

<http://www.nehfleet.org/>

Join the Northeast Harbor Fleet for the final pursuit-style race of the season. You do not need to be a member of the fleet to participate in what is always a fun day of friendly competition.

### Camden Solo Challenge

August 27, 2023

Camden Yacht Club

Camden, Maine

FMI: [www.camdenyachtclub.org](http://www.camdenyachtclub.org)

Registration:

[www.regattaman.com/new\\_event\\_page.php?race\\_id=445&yr=2023&cancel\\_dest=calendar.php](http://www.regattaman.com/new_event_page.php?race_id=445&yr=2023&cancel_dest=calendar.php)

The Camden Yacht Club is proud to host the Solo Challenge for single-handed PHRF racers. This is one of the few single-handed races offered on the Maine Coast. It is run with professional race management staff and offers a challenging but still low-keyed race experience. All boats will race in cruising class configuration of jib and main – no spinnakers permitted.

This event is perfect for both the experienced and less experienced skippers. Please join in the fun. You will never be bored racing single-handed and when you finish on the podium, you get to take all the credit!

Beyond the rewards from participating in the event, a highly coveted custom embroidered event race hat is provided to each skipper. A fun casual social gathering is held after the race to share highlights and lowlights of the day.

### Around Islesboro Race

September 9, 2023

Northport Yacht Club

Northport, Maine

FMI: [www.regattaman.com](http://www.regattaman.com), Lindsay Huntoon at (978) 979-8404

Email: [aroundislesbororace@gmail.com](mailto:aroundislesbororace@gmail.com)

This is a low-key affair intent on having a great end of summer sail around Islesboro Island. There are classes for all types of boats: racers, cruisers, multi-hulls and single-handed. Social events are planned including Friday night pizza, morning skippers meeting, and a post-race pot luck and awards. Moorings may be available on a first come first served basis. Other options include anchoring in Bayside or mooring in nearby Belfast. Fun for everyone.

### Maine Rocks Race - Short Handed & Fully crewed

September 16 - 17, 2023

Rockland Yacht Club

Rockland, Maine

FMI: [www.rocklandyachtclub.org](http://www.rocklandyachtclub.org)

The tradition continues! For many years the Maine Rocks race has been a test of seamanship, boat handling and endurance. This overnight, 100+ mile race is run offshore, starting in Rockland harbor and heading out to the Gulf of Maine, rounding Matinicus Is. and Mt. Desert Rock before returning home to Rockland. In 2020 a fully crewed division was added and will continue again this year.

### PYC Fall Series

September 23, 30, October 7, and 14, 2023

Portland Yacht Club

Falmouth Maine

FMI: [www.portlandyachtclub.com/racing](http://www.portlandyachtclub.com/racing) or email [pyrace@gmail.com](mailto:pyrace@gmail.com)

This event dates back to the 1950's and attracts boats to Casco Bay to enjoy what is arguably the best time of year to sail in Maine. The Series consists of four weekends of round-the-buoys racing. The first race is devoted to the Lightship Race, where the course takes competitors offshore around the location of the old Portland Lightship off Cape Elizabeth and back to the finish inside Hussey Sound. Bring your racing season to a terrific conclusion by coming to the 4 race Fall series held on consecutive Saturdays. Beer, Chowder & Chili after each day's racing.

new sails • sail repairs  
sail washing • canvas

The only full-service luxury Inn in Freeport, ME

STAY

DINE

GATHER

The Harraseeket Inn is a family owned, 94 room luxury inn located in the heart of Freeport, Maine. The hotel features two great restaurants, the Broad Arrow Tavern and the Maine Harvest Dining Room. We have an indoor heated pool, a variety of accommodations including twenty-three rooms with fireplaces, the L.L. Bean Guest House, two- and three-bedroom townhouses, as well as select pet-friendly rooms and 5 meeting rooms that can accommodate up to 200 people— all just a few minutes' walk from the best shopping on the Maine Coast, and the Amtrak Downeaster.

162 Main Street Freeport Maine 04032 1-800-342-6423 | [www.harraseeketinn.com](http://www.harraseeketinn.com) | [sales@harraseeketinn.com](mailto:sales@harraseeketinn.com)
