### The President's Page

As we prepare for another wonderful year of racing in Maine, I would like to welcome you to the 2017 edition of the GMORA yearbook. I hope you find it valuable and informative as you plan for your 2017 racing season.

This year, as president, I am excited to introduce you to the new board of directors, and lay out my vision for our sport as we begin the 2017 racing season. This year's election marks one of the biggest turnovers among board members, and also the youngest average age I have seen in all my years racing in Maine.

We have some big plans for GMORA in 2017, and the future of the series. We are focusing on bringing new racers to the sport. By doubling our efforts to bring new boats and new racers to weekend racing, we hope to increase the average size of the fleet in ALL divisions at ALL regattas in 2017.

We recently made some important structural changes to our class breaks and scoring for the 2017 season. The old divisions 1 and 2 have

been combined, and we have added a new Division 4 to help boats with higher ratings enjoy competing against a more balanced competition.

The changes we have made to the scoring system have reduced the required number of race days in an effort to increase participation and promote better competition. We have added a class for the J/80 fleet; this is a pilot program to marry one-design racing with the PHRF races that GMORA offers.

I welcome your feedback, and encourage suggestions, as well as participation, from the fleet. Anyone with interest in helping out or promoting sailboat racing in Maine should reach out to me, and I'll put you in touch with the right people.

#### **Mission Statement**

The Gulf of Maine Ocean Racing Association is a not-for-profit, charitable corporation formed to act as an amateur athletic organization to promote yacht racing, including international yacht racing in the ocean waters of the Gulf of Maine.

GMORA's official address: c/o JP Bilodeau 1535 Westbrook St. Portland, ME 04102 email: info@gmora.org www.gmora.org

#### Scoring, Trophies, and Conditions of Eligibility

#### 1. Eligibility

Each boat with a valid PHRF-NE or NEMA certificate whose owner is a current GMORA Regular Member in good standing shall be considered eligible for scoring.

#### 2. Race Day

A Race Day is one day of racing, whether one or more races are conducted. A competitor must compete in all races conducted on a day for that Race Day to be eligible to be scored. If a boat scores DNC in any race, that day will not be scored as a Race Day. Certain long-distance races are scored as two Race Days; see the Racing Schedule.

#### 3. Scoring System

Race Day performance of a yacht will be scored by GMORA using the CHIPS 3 scoring system, which weighs results by reference to the number of competitors in a particular division. So, for example, a first place in a division of 12 competitors will yield a higher score than a first place in a division of 5 competitors.

#### 4. Division Breaks

For GMORA scoring PHRF-NE Racing Division breaks will be:

Division 1 - up to 93

Division 2 - 94 to 141

Division 3 - 142 to 192

Division 4 - 193 and up

Cruising Class yachts shall be scored in one Division.

Multihull Class yachts shall be scored in one Division.

Shorthanded Class yachts shall be scored in one Division.

J/80 Class yachts shall be scored in one Division.

Member clubs are encouraged to use the same breaks where feasible.

#### 5. Scoring

A. A Racing Class yacht shall be scored in her GMORA division irrespective of the division in which she races in any specific regatta. As an example: if a yacht has a Racing rating that places her in GMORA Racing Division 2, but the Race Committee places that boat in Racing Division 1 (for any reason), she shall earn points for each boat beaten that day, and those points shall be applied to her GMORA score against her Division 2 season competition

- B. Racing, Cruising, Multihull and Shorthanded Classes shall be scored separately. Yachts that score a Race Day in one Class shall not apply that score to any other Class.
- C. Standings for the day are determined by the low-point scoring system, which is described in the Racing Rules. A yacht that is present and accounted for in the starting area but does not start a race will be scored DNS for that race, will be considered to have competed, and will be scored accordingly with a Low Point score of 1 plus the number of yachts. CHIPS 3 points for the day are awarded based on the resulting standings.

#### 6. Race Committee Support

The purpose is to encourage yacht owners to support Race

Committees by awarding GMORA points for Race Committee participation in GMORA-scored events. GMORA points will be awarded to a yacht whose owner provides support for a Race Committee. The following rules apply:

- Points will be awarded for at most two race days per season.
- 2. The owner must serve on the Race Committee for all races in each of the one or two race days.
- 3. To qualify for an award, a yacht must still race the required minimum number of race days.
- 4. Race Committee Points will be calculated as follows: Take the trophy-qualifying scores after throw-outs, drop the lowest one or two scores (depending on the number of days supporting the Race Committee in that region) and replace them with the average of the trophy-qualifying scores
- 5. This calculation will apply to the Region, the Overall, and the Dirigo Bowl trophies. This will not apply to the Watson Trophy, the Ocean Planet Trophy, or other such special awards.

#### 7. Awards

#### **Regional Awards**

Trophies will be awarded to eligible yachts in each of the four (4) GMORA Racing Divisions, the Cruising Division and J/80 Class. Second and subsequent place trophies will be awarded if participation in the division is sufficient.

**Western Region:** To be eligible, a yacht must race four (4) Race Days in races designated for the Western Region in the Race Schedule. Best **four (4)** Race Days count. Race Days must be from at least two different organizing authorities and at least four separate events.

**Boothbay Region:** To be eligible, a yacht must race four (4) Race Days in races designated for the Boothbay Region in the Racing Schedule. Best four (4) Race Days count. Race Days must be from at least two different organizing authorities and at least four separate events.

**PenBay Region:** To be eligible, a yacht must race **four (4)** Race Days in races designated for the PenBay Region in the Racing Schedule. Best **four (4)** Race Days count. Race Days must be from at least two different organizing authorities and at least three separate events.

**Eastern Region:** In lieu of participating in the GMORA season series, GMORA makes an annual contribution to the Great Harbor Dream youth-sailing project.

#### **Gulf of Maine Overall Championships:**

To be eligible, a yacht must race seven (7) Race Days, best seven (7) Race Days count and must be in events that are hosted in at least two (2) different Geographic Areas; see the Racing Schedule.

As an example, if a vessel sailed seven (7) Race Days in the Western Geographic Area, she would still have to compete in at least one (1) Race Days in another Geographic Area to qualify.

#### Multihull Circuit Championship:

To be eligible, a multihull yacht must race four (4) Race Days in any GMORA sanctioned region. Best four (4) race days count.

#### **Shorthanded Circuit Championship:**

GMORA will score a shorthanded circuit championship. To qualify for the shorthanded circuit championship, a yacht must race at least three (3) qualifying Race Days, including at least one race 65 nautical miles or longer; and, must race all qualifying races with a crew of at most two (2). The best three (3) days count. At least one race 65 nautical miles or longer must be counted.

A yacht that races shorthanded in a normally crewed division also earns points for that race in that crewed division. A yacht may race with crew on some race days, and shorthanded on others, but not within the same regatta.

A qualifying race day is defined as follows:

If there is a shorthanded class, the yacht must race in that class, except as set forth below. The yacht would be scored against that class.

If there is a single-handed class, but no double-handed class, then a double-handed boat may race in the crewed division in which she would normally race with a spinnaker. The single-handed yachts would be scored against the other single-handed yachts, and the double-handed yachts would be scored against the crewed boat.

If there is no shorthanded class, then a shorthanded boat may race the crewed division in which she would normally race with a spinnaker. The yacht would be scored against the class in which she races.

If a regatta offers more than one shorthanded class for boats flying spinnakers, then yachts shall race in their respective assigned classes, and earn points against those classes. Multihull yachts that meet these requirements are considered eligible. Cruising Class boats are not eligible.

#### J/80 Circuit Championship:

To be eligible a yacht must race at least six (6) Race Days designated as Fleet J/80\_(see race schedule). Best six (6)

days count. Race days must be from at least four separate events.

A skipper must inform the regatta chair at the official regatta check in that the race day(s) should be scored toward the J/80 Class (a class within a class), a boat may keep points earned for both classes.

#### **Perpetual Trophies**

#### Dirigo Bowl, Gulf of Maine Championship:

1. The winner shall be the yacht among the first place winners of the five (5) Divisions in the Overall Region that attains the highest score for the best seven (7) Race Days.

#### Arthur K. Watson Memorial Trophy:

- 1. Awarded to the yacht that participates in the most GMORA sanctioned Events. In the event of a tie the trophy will be awarded to the yacht that has the highest cumulative Race Day CHIPS 3 points.
- 2. There is no distinction granted to specific Division participation. Yachts in all Divisions, both Racing and Cruising, are eligible.
- 3. Eligibility is recognized even when a yacht participates in more than one Division. Yacht scores from all Divisions will be added together to be cumulative.
- 4. Events are Series recognized and sanctioned by GMORA.

#### Ocean Planet Shorthanded Racing Trophy:

1.Awarded to the first place winner of the Shorthanded Circuit Championship.

#### **CHIPS 3 Scoring Table**

This table gives the points awarded to each boat at the end of each day of racing. Notice that each column has one more than the number of boats. The last number indicates the points awarded for DNF. For example, in the first column (for just one boat) the upper number is the points awarded if the boat finishes, and the lower number if the boat does not finish.

# Awards night 2016

On Oct. 28, 2016 Matt Minson and the Centerboard Yacht Club, overlooking Portland Harbor and the Portland skyline, hosted the annual 2016 Gulf of Maine Ocean Racing Association awards party. Sailors from Penobscot Bay and Boothbay joined their Casco Bay brethren to celebrate the sailing accomplishments of the 2016 season. There was the usual banter of what-ifs and maybes, but all in good spirit as the attendees enjoyed the culinary skills of Matt Minson and his many cheerful volunteers.

The awards presentation highlighted the evening, with Butch Minson winning the Dirigo Bowl, the Arthur K. Watson Memorial Trophy plus 1st Overall and 1st Western in Division 3. And as noted elsewhere, Joe Burke, Points East Magazine's publisher, presented the Points East Yachtsman of the Year to Richard Hallett.

It was a great evening. At this time, we are penciling in Oct. 20, 2017 for the 2017 edition of the awards party. Hope to see you there!

### **2016 GMORA Yachtsman of the Year**

The annual awards gathering of the Gulf of Maine Ocean Racing Association (GMORA) took place on Oct. 28 at the Centerboard Yacht Club in South Portland, Maine. As part of the festivities, Points East magazine presented the GMORA Yachtsman of the Year award to Richard Hallett, son of Merle Hallett, who won the award in its first year, 1999.

Beyond actively winning races, the younger Hallett was cited as someone equally interested in helping others trying to do the same with advice, technical assistance, equipment support and encouragement. And for this trait, he's held in high regard. "In a world with fewer and fewer of them," Points East publisher Joe Burke said of Hallett, "he is truly a gentleman and a good sport."

The Boothbay Harbor Yacht Club Commodores Cup celebrates its 32nd year in 2017 with a change of format. Rather than the common windward-leeward courses, these races may explore different areas including Linekin Bay, Mouse and Burnt islands, and more.

The Commodore's Cup for 2016 will feature four divisions: PHRF Racing, PHRF Cruising, Boothbay Harbor One Designs (BHOD), and J/80. BHYC members' scores for the event will be totaled for the Commodores Cup overall trophies, but all GMORA members will be competing for the GMORA Boothbay Region and Overall Series.

#### 'Round Southport Race

Boothbay Harbor Yacht Club Boothbay Harbor, Maine Southport Yacht Club Southport, Maine Sunday, July 2, 2017 FMI: www.bhyc.net

The Southport Yacht Club and Boothbay Harbor Yacht Club are proud to present the annual 'Round Southport Race. This race returned in 2011 with a new format recapturing the essence of the original race that was held from 1968 to 1982.

While we can no longer race through the Townsend Gut, this race does go around most of the island. The 'Round Southport race is fun race for boats of all sizes often drawing 20 or more boats. Past participants have ranged from a Herreshoff 12½ (Doughdish) and Club 420 to a Morris M52. The race is a 9.55nm Pursuit Race ,which, in 2017, will start in on the west side of Southport in Ebenecook Harbor (north end of Townsend Gut) and finish near Tumbler Island with a party afterwards at BHYC. There is a Cruising Class, Racing Class and J/80 class.

In addition to the individual boats competing, the top three finishing boats from BHYC and SYC will determine the club that wins the coveted TrashCan Trophy for 2017. BHYC has it currently: Can they hold it? This race will count as a GMORA Race Day and will be scored for the Boothbay Region and towards overall trophies. This is a fun and challenging race for sailors of all ages.

### **BHYC Jr. Program Foundation Regatta**

Boothbay Harbor Yacht Club Boothbay Harbor, Maine Sunday, July 9, 2017 FMI: www.bhyc.net

The BHYC Jr. Program Foundation Regatta is a one day, GMORA-scored, PHRF event to provide the opportunity for competitors to enjoy a day of racing in the Boothbay Region while helping to encourage young people to join our wonderful sport. The BHYC Jr. Program Foundation provides scholarships and other funding to support the Junior Sailing Program at BHYC as well as the Boothbay Region High School Sailing Team.

High school sailors from up and down the peninsula and neighboring islands sail weekdays, practicing skills, and compete weekends with other high school sailing teams from around the state of Maine. The BHYC Jr. Program helps hundreds of children learn to sail each summer in its 10-week program. Owners are requested to take onboard at least one youth (age 13+) from the Boothbay Harbor YC Jr. Program or the Boothbay Region High School Sailing Team; such person shall NOT be counted toward crew number or weight restrictions.

This is a wonderful way to introduce our young sailors to keelboat racing, and a great way for you to get someone with some local knowledge on board! Funds raised by this event will go to the BHYC Jr. Program Foundation to benefit youth sailing. The BHYC Jr. Program Foundation is a 501c(3) corporation, and all donations are tax deductible.

#### **Seguin Island Trophy Regatta**

Southport Yacht Club Southport, Maine Saturday, July 22, 2016

FMI: www.southportyachtclub.org

Continuing a tradition begun on July 20, 1968, the Southport Yacht Club invites GMORA skippers to enter their yachts in this summer's running of the Seguin Island Trophy Regatta on July 23, 2016. The races are held in the waters at the mouth of the Sheepscot River.

By popular demand, and with enough breeze, the Race Committee is hoping to revive sending the larger yachts south to Seguin and back. A water taxi will be available to post-race festivities and prize-giving at SYC immediately following the racing. Notice of Race will be posted at www.southportyachtclub.org.

**Moorings**: Hodgdon Yacht Services (207-633-2970, VHF Channel 9). SYC can help arrange for a mooring for the week between the Boothbay and Southport Y.C. races.

circuit. The regatta hosts many different classes of competition, from PHRF racing and cruising classes to one-design classes including Boothbay Harbor One-Designs, J/80s, J/24s, and J/22s.

The BHYC Regatta attracts between 30 and 60 boats from all over Maine to race two full days in and around Boothbay Harbor. There are classes of competition for everyone, including the hard-core racer and the cruisers who want to compete in their first race. One-design-class racing is fun, and often takes place in the inner bay with close competition and racing quarters.

This year's competition will feature new racing formats, with a mix of Windward-Leeward and "round the islands" racing in Booth Bay. Coastal islands such as Squirrel, Southport and Damariscove, will act as picturesque backdrops and interesting geographical obstacles. Cruising classes sail one long race each day winding themselves through the many islands and guts along the Gulf of Maine.

Keep an eye on www.bhyc.net and BHYC's Facebook page for upcoming information on a completely new social schedule featuring unique new opportunities for fun

This longer-distance, overnight race puts the focus on endurance, navigating and strategy, as well as boat speed. Multiple class breakdowns and varying length races for both fully crewed and shorthanded sailors make up the Monhegan event.

The race coupled with a terrific pre-race party make this event extra-special. This year we intend to finish the races at Portland Head Light so racers can avoid the ofttimes frustrating situation of racing back into Casco Bay

#### The 36th Annual MS Regatta

National Multiple Sclerosis Society 74 Gray Road Falmouth, Maine 207-781-2088

Saturday, Aug.19 (part of MS Harborfest weekend,

Aug. 18-20)

FMI: MSHarborfest.org

The MS Regatta is at the heart of MS Harborfest weekend. Now in its 36th year, the MS Regatta is the longest running and largest charitable sailing event in northern New England and on the GMORA circuit.

**Pre-race festivities**: Friday, Aug. 18: Skippers meeting at 6 p.m., followed by the MS Benefit Auction featuring over

300 items, food and drinks. Skippers can earn additional auction passes by fundraising for crew and guests. Auction tickets can be purchased at the door.

AMAZING RACING EXPERIENCE: Saturday, August 19th events start with the first gun at 12:30pm with the MS Regatta's expert race committee overseeing three courses of varying lengths through Portland Harbor to Clapboard Island. We have racing, cruising, one-design and classic divisions. Class sizes are kept small and well separated to reduce stress on our novice skippers and crews as well.

**Course:** Portland Harbor, sailing around Fort Gorges

Post-race celebration: At the conclusion of the race, join all skippers and crew at the Post-Race Party. Enjoy a hearty feast donated by local businesses, including Longhorn Steak House, Cozy Harbor lobsters, and Shipyard Brewing beverages. Awards will be presented, including the highly coveted Greenhorn Award for best rookie boat and the Team Spirit Award, which receives a five-pound whoopee pie. Additional tickets can be earned

through fundraising or can be purchased 2 weeks prior to the event.

Making a difference: The MS Harborfest Regatta is the largest regatta in Casco Bay and on the GMORA circuit. There are a lot of points at stake for those competing for the Dirigo Bowl. But more importantly, the event raises thousands of dollars which help fund local services for over 3,000 Mainers affected by MS so they can live their best possible life, and fund research initiatives to STOP MS, RESTORE what it has taken, and END MS forever.

The MS Harborfest Regatta is a highly anticipated tradition spanning 36 years. Come this year to experience a great Maine sailing adventure, knowing that you are making a difference for someone right here in Maine.

### Weeknight events: A fun way to get started

The onset of summer and the start of sailing regattas and weeknight racing gives everyone a chance to reconnect after the long winter and remember why sailboat racing is so much fun. This is also the time when sailors should act on their promises to "winter friends" about taking them out for a sail.

Weeknight racing happens at almost every yacht club in the country, and provides the perfect venue for spreading the sport of sailing to almost anyone who wants to try it. Weeknight racing exploded in popularity in the 1990s as people's budgets and time were cut short by growing workloads and the bursting bubble of the 1980s economy. Strong participation in weeknight racing has created a new generation of sailors who are passionate about the sport.

Weeknight races typically have low entry fees or none at all, and some clubs and organizations open the racing to non-members as well. This ease of participation lets more boat owners try the sport at a low impact to their wallet. Weeknight races give owners the benefits of training, cultivating, and practicing with their crew to help hone their teams' skills. These benefits boost boat owners' comfort level, preparing them to enter weekend events.

The casual setting of weeknight racing, sometimes called beer-can racing, is the perfect way to introduce new people to the

sport. The finite amount of time, usually two to three hours for a weeknight race versus a daylong event, is more appealing to someone who has never raced or never even sailed. Often enough, the short race gives the newbie enough of a taste of the sport to want more. After a few weeknight outings, they will often ask their skipper if they can participate in other events. This can give the boat owner enough motivation to enter a weekend event.

**Thursdays** 

**So, skippers:** Take your friends racing. Your recruits don't need vast amounts of talent, experience or knowledge. The only

requirements are a desire to be on the water, a good attitude, and willingness to learn. Just a couple of hours of sailing in your favorite weeknight race with a newbie can help keep our sport going strong.

**PHRF** 

To the newbie wanting a ride: You may find a sailing connection at work, or through social networking web sites like Facebook. Or you can just show up at a club on the appropriate night, hang out on the dock, and ask if anyone needs crew. You may be surprised about the people you meet and just how willing some skippers are to take on new people for an evening sail.

## Rich Wilson finishes 13<sup>th</sup> **vendée**globe

Maine Yacht Center congratulates Rich Wilson onboard *Great American IV* for finishing the Vendée Globe in 107 days and setting a new American record.

Rich was the only U.S. competitor finishing 13th in a fleet of 29 starters.

During the race he delivered a daily multi-faceted educational program to over 750,000 students in 55 countries.

The Vendée Globe is a single-handed non-stop race around the world, considered by many to be one of the most difficult sporting events on earth.

In preparation for the race Great American IV was refit at Maine Yacht Center in Portland, Maine.

### GMORA through the years: 1972 - 2016

Following are some year-by-year highlights in GMORA history, compiled from information dug up from various offices, filing cabinets, and certain participants' remarkable memories. Anyone who can fill in any blanks is encouraged to send information to info@gmora.org.

**1972:** Nearly 60 members, 40 boats participated, 16 qualified for trophies, which were awarded Nov. 2 at the Port House Inn, Kennebunkport. Merle Hallett's *Scaramouche* was the season champion.

1973: The Pilot Race, Whaleback Race Div I and II, Monhegan Race IOR, Monhegan Race (New England Racing Rule), Manana Race, and Boon Island Race composed the series. A yacht needed to participate in at least three races to be eligible for a trophy. Thirty-eight boats were entered in the circuit, 21 received final point standings. The U.S. Coast Guard Academy's *Caper* took 1st overall.

1974: The Camden-Castine Race Weekend, Danforth Cup Race, Harraseeket Yacht Club, Kittery Point, Kollegewigwok, Castine and Camden, led to an expanded series. Twentynine GMORC yachts took part in seven races, and 22 quali-

fied by competing in four or more races. For the first time, yachts were divided into two classes. Maine Maritime Academy's *Omega* won Class A, and Abbot Fletcher's *Majek* took 1st in Class B.

1975 Boothbay Harbor Regatta was included for the first time. There were eight races and 21 qualifiers for final standings. Albert Emanuel's *Kolibri* took 1st in IOR, Abbott Fletcher's *Majek* won NERR, Jan Pederson's *Heitoik II* was 1st in MORC. *Majek* was the overall season champion.

**1976:** A new divisional structure and handicapping system is introduced: International Offshore Rule (IOR) and Midget Ocean Racing rule (MORC). There were still two divisions, and 26 boats qualified for final points. Doyle Marchant's *Revolution* won the IOR division. *Barbara*, skippered by Del Damboise, took 1st in MORC.

**1977:** Twenty-one boats qualified for final scoring. Merle Hallett's Scaramouche was 1st in IOR A, J. and Dave Corson's *Rub-a-Dub-Dub* won IOR B, Abbott Fletcher's *Majek* won the NERR division, and Payson Adams *Pointin Star* was tops in MORC

1978: Danforth Cup and Whaleback Races were dropped from circuit. The Pilot Race changed to two-day race weekend, similar to Boothbay Regatta. Twenty-three boats qualified for final points. Doyle Marchant's Revolution and J. and Dave Corson's Rub-a-Dub-Dub won IOR A and B respectively. Abbott Fletcher in Majek took the NERR division, and Dave Cordeau's Fast Company emerged tops in MORC.

1979: Performance Handicap Racing Formula (PHRF) replaces NERR. Three divisions were created, one each for IOR, PHRF and MORC. Winners were Merle Hallett's Scaramouche in IOR and Del Damboise's Barbara in PHRF.

**1980:** Race Week was inaugurated. Twenty-five boats qualified for final scoring. Doyle Marchant's *Revolution* was the IOR division champion. PHRF Division A and B winners were Del Damboise's *Barbara* and Jan Pederson's *Heitorik II* respectively.

**1981:** The series was best of six races, including at least one overnight, and 31 boats qualified for final scoring. Winners were Fred Leighton's *Cadre* in IOR, Del Damboise's *Barbara* in PHRF, and Jim Stanley's *Capella* in the J/24 class.

1982: Measurement Handicap System (MHS) is included for the first time, and no IOR is included. Twentynine boats qualified for final scoring in the best of six races series. Merle Hallett's Scaramouche won PHRF Class A, Abbott Fletcher's Majek won PHRF Class B, and Fred Leighton's Cadre won the MHS division.

season scoring. Scaramouche, Majek, and Java were the respective winners in PHRD Divisions A, B, and C; Jim Stanley's Capella won MHS A, and Abbott Fletcher's Majek won MHS B.

Anthony R. Jessen First Vice President - Wealth Management Madcap wins PHRF B, and Richard Hallett's Family Wagon ends the season at the top of PHRF C. Madcap wins the Dirigo Bowl.

**2002:** Bandito is again the PHRF A champion, Ned Semonite's Black Owl wins PHRF B, and Butch Minson wins PHRF C in Cat's Paw. Faamu Saami wins the Multihull division.

**2003**: Bandito again wins PHRF A, Scott Smithwick's Kaos is 1st in PHRF B, Jon Randall takes PHRF C in Snowbird, Don Logan's Keemah takes 1st for the J/105s, and Randy Rice's Rita P wins Cruising Class. Dick Hale takes home the Dirigo Bowl for his great season with Bandito.

**2004:** Maine Maritime Academy's *Sheerness* edges out *Bandito* for 1st in PHRF A, Sash Spencer's youthful crew in *Whiplash* wins PHRF B, Geoff Emanuel's *Commotion* wins PHRF C, Randy Rice's *Rita P* wins Cruising Class again, and Peter Garcia's *Alegra* is first in the Multihull division. The Dirigo Bowl goes to Maine Maritime Academy's *Sheerness*.

**2005:** Sash Spencer's *Whiplash* wins PHRF A, Ned Semonite's *Black Owl* takes PHRF B/J105, Geoff Emanuel wins PHRF C in *Commotion*, Mark Werner's *Nipantuck* wins Cruising Class, and *Faamu Saami* was tops for Multihulls. *Nipantuck*'s Mark Werner wins the Dirigo Bowl.

**2006**: Revolution II, skippered by Ed Rogers, wins PHRF A; Richard Hallett's *The Wagon* is the PHRF B winner;

Richard Stevenson's Roach Coach took 1st in PHRF C; Five, skippered by Tom Hall and Graciala Lamy, won PHRF D; and Mark Werner's Nipantuck won Cruising Class. Nipantuck is a repeat winner of the Dirigo Bowl, just edging out Revolution II.

**2007:** GMORA introduces the Arthur K Watson Memorial Trophy, awarded to the yacht that scores the most points throughout the season. In its first year, the trophy goes to Kaos. Scott Smithwick's Kaos takes 1st in PHRF A. Keemah, skippered by Don Logan, is 1st in PHRF B. John Randall's Snowbird wins PHRF C. Mark Werner's Nipantuck wins Cruising Class. Nipantuck scores a "threepeat," taking the Dirigo Bowl back to Southport for the third year in a row.

**2008:** Dick Hale's *Bandito* wins Racing Division 1. Scott Smithwick's *Kaos* takes 1st in Racing Division 2. Graciala Lamy's *Seven* wins Racing Division 3. *Pit Party*, skippered by Rich Ketchum and Steve Fernald, emerges at the top of Racing Division 4. Greggus and Jennifer Yahr's *C-C-Courage* takes 1st place in Cruising Class. Merle Hallett's Scaramouche wins the Arthur K Watson Memorial Trophy. *Kaos*, skillfully sailed by Scott Smithwick and his outstanding crew, is winner of the Dirigo Bowl.

**2009:** GMORA teamed up with SailMaine to launch the first annual SailMaine Regatta. Funds raised through entry fees and product sales benefited the SailMaine community sailing program in Portland, which offers sailing instruc-

tion and coaching to youth, high-school teams, and adults. Pete Price's *Big Dog Party* won Division 1; Scott Smithwick's *Kaos* took first in Division 2; *Tamarack*, skippered by Bob Kellogg, took top honors overall in Division 3; *Pit Party*, co-captained by Rich Ketchum and Steve Fernald, was 1st overall in Division 4; Randy Rice's *Rita P* took 1st overall for Cruising Class. Scott Smithwick and *Kaos* scored a repeat, winning the Dirigo Bowl for the second straight year.

**2010:** GMORA introduced the *Ocean Planet* Shorthanded Racing Trophy to recognize excellence among singlehanded and doublehanded racers. The winner would be the yacht with the best six race days, two of which had to be sailed in a race with a distance of 50 miles or greater. Bruce Schwab, skipper of the Open 60 *Ocean Planet* that competed in the Around Alone Race, donated an artifact from the original *Ocean Planet* to serve as a perpetual trophy. Butch Minson, skipper of *Cat's Paw*, was the first winner of the trophy.

The PHRF Maine Regatta moved to the Boothbay area, as Boothbay Harbor and Southport Yacht Clubs teamed up to host a two-weekend series of races.

At year's end, Pete Price's *Big Dog Party* emerged at the top of Division 1 overall, Scott Smithwick's *Kaos* won Division 2, Butch Minson in *Cat's Paw* took Division 3, Rob Hawley won Division 4 in *Rainier*, and Randy Rice's *Rita P* was tops in Cruising Class.

Scott Smithwick and his crew on Kaos won the Dirigo Bowl for a third straight year, edging out Don Logan's Keemah by just a few points.

**2011:** The racing schedule was revamped in an effort to ease delivery logistics and encourage more boats to participate. Following the Fourth of July weekend, the action moved straight to Penobscot Bay, where the Rockland Yacht Club stepped up to the plate and hosted a "revival edition" of a favorite point-to-point race to Castine and back. Racers competed the following weekend off Camden, and then boats harbor-hopped their way back west, with stops at Boothbay and Southport before the big Monhegan overnighter.

Scott Smithwick and his talented crew aboard *Kaos* were once again dominant, winning the Dirigo Bowl for a fourth consecutive year. *Big Dog Party*, skippered by Pete Price, won Division 1; *Kaos* emerged atop Division 2; Butch Minson's *Cat's Paw* was 1st overall in Division 3; and Randy Rice's *Rita P* won Cruising Class.

**2012:** The Penobscot Bay Rendezvous was added to the circuit and proved very popular. The inaugural running of the Gulf of Maine Solo-Twin race from Provincetown to Rockland was a hit with single- and double-handed racers.

Don Logan's *Keemah*, Peter Price's *Big Dog Party*, and Richard Stevenson's *Buzz* battled it out all summer for the Dirigo Bowl, with *Keemah* emerging as the victor at the end after the Portland Yacht Club's Fall Series was done. Overall division winners were *Big Dog Party* in Division 1, *Keemah* in Division 2, and in the Cruising Division, Randy Rice came in first in the new-to-him Pearson 34 *Imagine*. *Buzz* won the Ocean Planet Shorthanded trophy.

**2013**: Scott Smithwick and crew on board *Kaos* once again schooled the fleet taking home the Dirigo Bowl, for the fifth time in six years, but not without some drama in September. At the end of August, *Kaos* lead *Keemah* for the overall by 11.1 points, and proceeded to extend her lead after the first Fall Series race. However, the next week, in the Lightship Race, *Keemah* beat *Kaos* to cut into *Kaos*' lead, but not by enough. The die was cast.

Overall division winners were Scott Smithwick's *Kaos* in Division 2 and Butch Minson's *Cats Paw* in Division 3. There were no overall winners in Divisions 1, 4 or Cruising. Scott Miller's *Resolute* won the *Ocean Planet* Shorthanded Trophy.

**2014:** Scott Smithwick won the Dirigo Bowl for the sixth time in seven years. Congratulations are definitely in order for Scott's dominance on the racecourse. Scott Miller won the Ocean Planet Trophy, and Richard Parent took home the Arthur K. Watson Memorial Trophy.

The Overall division winners were Scott Smithwick's Kaos in Division 2, Rich Ketchum's Pit Party in Division 4, Marc Lorraine's Hightail in Cruising and Scott Miller's Resolute in Shorthanded. There were no Overall winners in Divisions 1 and 3.

2015: Congratulations are in order for Ryan and Michelle Raber and their well-honed crew in their first season on the new Scapa as they held off Scott Smithwick and Kaos to win the Dirigo Bowl. The Overall winners were

Scapa in Division 2 and Butch Minson on Cats Paw in Division 3. There were no Overall winners in Divisions 1, 4 and Cruising.

Points East, for the first time, awarded the Yachtsman of the Year to the Double Handed team of Scott Miller and Gregg Carville for their accomplishments on Scott Miller's J/122 Resolute in the Bermuda 1-2, the Marblehead to Halifax Race and the Fastnet Race.

Once again, the format change to a cocktail party for the fall Awards evening was a big hit as just under 100 sailors gather for the festivities at the Centerboard Yacht Club on the shores of Portland Harbor.

2016: The Northport Yacht Club's Around Islesboro Race was added to the circuit and proved very popular drawing a fleet of 53 boats spanning ratings from 30 to 273 and included entrants from as far away as Casco Bay. Cats Paw held off last year's winner Scapa by a very slim margin to win the Dirigo Bowl. The Overall winners were Ryan Raber on Scapa in Division 2, Butch Minson on Cats Paw in Division 3, and Jonathan Green on Jereboam in the Shorthanded Division.

Points East awarded the Yachtsman of the Year to Richard Hallett for his many years of racing accomplishments and helping many sailors with advice and encouragement in their growth as sailors. The format of a cocktail party for the fall Awards evening was again a big hit, with just under 100 sailors gathering for the festivities at the Centerboard Yacht Club on the shores of Portland Harbor.
